DETAILED INFORMATION

Overview

RELENTLESS was built to a high standard spec and to the classification of ABS. RELENTLESS is one of six vessels built from the 142' platform. She features a five-stateroom layout with an on-deck king master suite along with four guest staterooms below all with ensuite baths. Additional amenities include a Dea Robinson designed interior with special attention paid to the detailed woodwork throughout the vessel. In addition to her five-stateroom layout, she boasts ample public space for a vessel of her size with a large main salon, a separate formal dining area, and a well-appointed commercial galley. In addition to her spacious main deck, the vast skylounge features panoramic views, coffered ceilings, an oversized full-service bar and an entertainment center. Aft of the skylounge, you enter a covered deck to find a large circular dining table for ten with ample seating plus a lounge. From this deck, one can go up to the sundeck which features a large Jacuzzi with wraparound sun lounges, full bar, and a day head. RELENTLESS is powered by twin DDC/MTU 16V2000 engines, which completed their W6 service, along with her 15-year ABS survey and a full paint job. RELENTLESS's present owner has had her for ten years and has kept her in excellent condition throughout that time. During this time of ownership, RELENTLESS has benefited from having the same captain and core crew for seven years. RELENTLESS is ready to cruise on a minute's notice to your favorite cruising destinations. Her 11,000-gallon fuel capacity gives her excellent cruising options to include transatlantic at a slow cruise with a normal comfortable cruise of 15 knots and an 18 knot top end speed when needed.

Vessel Walkthrough

When entering the main salon from the spacious main aft deck through offset double doors, one will notice a large marble-topped bar with four stools which faces the expansive aft deck. The formal dining room forward has an ornate buffet with lit china cabinets and a pair of insets topped by gold leaf scallops. There is seating for ten around the glass topped dining table. The galley has a service entry with double French doors and the main entrance is off the starboard lobby with inlaid Royal Oyster marble flooring and a day head. Going forward is the spacious on-deck, full beam master stateroom with a king size bed, private office/seating area, flat screen TV concealed with electric doors and his and hers marble bath with large shower and Jacuzzi tub. The lower guest accommodations are accessed from the foyer down the hand-carved wooden spiral staircase. She features four well-appointed guest staterooms with two kings, one queen, and a twin, all with entertainment systems and private marble baths. From the main deck level, one can go up a spacious spiral stairway and enter the vast skylounge with ample seating, a traditional wood desk, marble top bar and

oversized windows for panoramic views. There is also a marble foyer with a day head and forward is the wheelhouse complete with electronics, port and starboard entry doors and wing stations. To port aft is the captain cabin with queen berth and private head. A spiral staircase from the aft deck leads up to the sun deck which provides ample space for entertaining and sunning. There is a large raised Jacuzzi spa forward with large sun pads on each side protected by a wraparound tinted windscreen. She features a U-shaped bar tucked in the shade of the electronics arch and an air-conditioned day head incorporated into the starboard arch structure. A canvas awning adds to the shaded area forward of the arch.
