DETAILED INFORMATION

Overview

DECOMPRESSION accommodates up to eight in the owner's party in a four stateroom layout with crew quarters aft. Her layout is unique in that she features an on-deck king size master stateroom with separate his and her heads, along with two VIP staterooms below deck with king beds and a queen VIP Stateroom forward. Her on-deck galley features upgraded appliances along with ample storage and a work area. Continuing aft and up a set of stairs is the raised pilothouse featuring Teak and Holley sole along with an L-shaped helm seat, built-in storage and upholstered bulkheads. She includes an updated state of the art electronics package along with customized steering wheel and chart flats. Further aft on the main deck is the on-deck day head. The main salon is divided into a formal dining area with custom Mahogany cabinetry, 8' high vaulted ceilings and dividers with floor to ceiling columns port and starboard. She is equipped with comfortable furnishings and a full entertainment center to starboard, housing updated audio visual equipment. Through the centerline door is the Teak aft deck, which features a built-in bar to starboard, bench seating along with table and chairs for El Fresco dining for eight. Access to the crew quarters and engine room is through the transom. Below deck are three VIP staterooms with Mahogany cabinetry along with walk-in cedar closets and dramatic baths with marble flooring and granite vanities. All staterooms have complete entertainment centers. The aft stateroom also features separate his and hers heads. The spacious flybridge is equipped with sun lounges, bench seating with dining, gas grill and bimini top. The boat deck features a 15' Novurania.
