## Overview

---

Built by Benetti in 1991, MISTRESS, reflects the owner's profound love for traditional values, practicality and hospitality. The essential theme is comfort and luxury, expressed through a generous use of space, perfectly matching the elegant boisseries and luxurious furniture.

Refitted between 2013 and 2014 MISTRESS boasts an interior designed by Zuretti, who utilized many pieces from the world renowned Versace range, this has been complemented with exterior styling by Stefano Natucci. This has combined to create a beautifully crafted and truly timeless boat, which puts a particular emphasis on relaxation and entertainment.

The formal seating in the lower saloon, offers sumptuous and well-appointed furnishings which complement the style of this unique boat. This elegance is continued to the upper saloon which boasts a relaxed seating area together with a large bar and games table. The outside areas are of particular note with ample space for dining on each of the three decks. With a large upper deck featuring wraparound seating this is a fantastic entertaining space, enhanced by a large Jacuzzi and ample bar with matching parasols.

Mistress is design to accommodate up to 11 guests in 6 staterooms, including a master stateroom on the main deck, 4 VIP and a single stateroom, all with private bathrooms and wardrobes.

The sheer volume below deck allows her to include a gym and sauna with ample space for all her water toys. She has a steel hull with an aluminum superstructure, equipped with a Naiad stabilization system.
