DETAILED INFORMATION

65' Fairline Squadron Motor Yacht AUSSIE

This 65' Fairline Squadron Motor Yacht AUSSIE appears to go one step further than similar sized boats on every level. Sumptuous furnishings and hand-worked cabinetry are hallmarks of the Squadron range. Nowhere is it more elegantly expressed than in the long, wide single-level interior - a testament to the 65's ingenious flat floor design. Having such uncomplicated, single floor levels is normally reserved for much larger yachts, but our designers have achieved just that on this 65-footer. An elegant, beautifully proportioned Squadron awaits you. This ONE owner vessel has all the options. It's fully loaded with low hours. She's ready with all the upgrades:

- Williams 325 Jet RIB Tender (GB-WMRT3B67I314)
- Hydraulic bow and stern thrusters with twin joysticks
- Air conditioning tropical* (includes 22.5kW generator with 868 hours)
- Bang & Olufsen 40" TV cinema system with 5 internal speakers and sub woofer and 2 cockpit speakers
- Centralised vacuum cleaning system
- Teak-laid side decks
- Teak-laid flybridge flooring
- Underwater lights
- Bimini top with full enclosure
- Washing machine with separate Dryer

Overview

The moment you step on board this magnificent Squadron, a wonderful 'large yacht' feeling of stylish elegance embraces you. The long central window running the full length of the sunpad on the foredeck not only floods the forward cabin with light, but adds a unique look to the exterior. Up top, the huge flybridge is a masterpiece of practical design, with fabulous entertainment facilities and two large, luxurious day beds. The spacious single-level salon, with its sumptuous furnishings and elegant cabinetry, merely hints at the stunning quality and standard of finish to be discovered throughout this extraordinary yacht. Whether to use the master stateroom or the forward cabin will be a dilemma for the owners, such will be the attractions of both, with their airy, light-filled atmosphere, spacious open-plan en suite layouts, elegant 'floating' bed designs and massive wardrobe and storage space. The panoramic windows and sheer luxury of the master en suite may make the choice easier though. Occupants of the aft cabin too, whether guests or crew, will enjoy their own en suite facilities and unusually large panoramic windows. A true Squadron in every sense - and a fine example of the ultimate in British marine engineering and craftsmanship. This Fairline Squadron 65 has been well maintained since new and is in

excellent condition. She is sold with a very thorough inventory, including KVH M7 satellite TV system, hydraulic bow and stern thrusters with winch, 22.5KvA Onan Generator and full reverse cycle air conditioning throughout. The luxurious interior furnishings feature the finest materials, harmonious colors and a standard of equipment reserved for large cruising yachts. Priced to move, this one owner vessel is ready to cruise anywhere.

Hull Form & Construction

- All gel coat and glass fiber hand laid with unidirectional, biaxial and woven rovings
- Antifouling protection to hull
- Bow thruster
- Deep 'V' forward; 18 degrees deadrise aft
- Design, layout and detailing by the Fairline Design Team. Naval architecture and structural engineering by Bernard Olesinski
- Fire extinguisher
- Full length molded spray deflectors
- Holding tank(s) with electric pump
- Hull/deck join bolted and bonded
- Hydraulic hi/lo bathing platform for tender launching and recovery
- Integrally molded engine bearers
- Isophthalic gel coat backed by isophthalic resin-rich powder-bound glass mat
- The deck incorporates polyurethane foam cores for high strength and excellent thermal insulation
- The propellers are set in semi-tunnels enabling the engines to be located further aft, also reducing draft and improving efficiency by reducing the shaft angle
- Thermal insulation to forward cabin and upper deck roof space
- Transverse frames and longitudinal stringers throughout hull

Deck

- Anchor chain locker
- Anchor winch controls
- Calibrated anchor chain
- Deck wash outlets
- External covers to windscreen
- Fender set
- Fender stowage
- Full set of IMCO navigation lights
- Hot and cold water transom shower
- Moulded non-slip deck surface
- Recessed self-draining area on foredeck for coachroof sun cushions

- 'Reticulated' non-absorbent foam cushions for forward sundeck
- Riding light
- Rigid swim ladder to bathing platform
- Rubbing strake
- Stainless steel bow, spring and stern cleats
- Stainless steel bow fairlead(s)
- Stainless steel grab rail(s) on each transom wing
- Stainless steel handrails
- Stainless steel pulpit
- Starboard side access door
- Teak laid bathing platform
- Transom gate from cockpit to hi/lo bathing platform
- Twin horns
- Water filler(s)
- Windscreen washers

Aft Cockpit

- 3 stage opening aft door
- 12V heavy duty weatherproof socket
- Access hatch to engine room and lazarette
- Access hatch to optional aft crew cabin
- Aft cockpit enclosure covers
- Bathing platform lights
- Blue LED lighting to cockpit
- Boat hook
- Flybridge access hatch
- Life raft stowage
- Manual bilge pump(s)
- Mooring warps
- Overhead handrail
- Teak laid floor throughout self-draining cockpit
- Teak table with 2 folding chairs
- Warp lockers
- White cockpit overhead lights

Flybridge

- 12V heavy duty weatherproof socket
- Adjustable/tilt steering wheel
- Adjustable bolstered helm seating
- Bilge pump switches with integral operating warning lights and audible alarms

- Bow thruster controls
- Chaise Longue on port and starboard side with adjustable backrest
- Companion seating to helm
- Day beds
- Dedicated dining seating with large dining table
- Drinks holders
- Echosounder and speedometer/distance log repeater(s) with sea water temperature read out
- Electronic single-lever throttle and gear controls for port and starboard engines
- Ensign and staff
- FAIRLINE EDITION durable dinner service, ideal for outdoor use, white melamine with Fairline Shield (24-piece, 6 place settings)
- FAIRLINE EDITION durable tumblers, produced in shatter-proof polycarbonate, with Fairline Shield (set of 6)
- Flybridge access hatch
- Flybridge bar with refrigerator, icemaker, sink and electric griddle
- Furniture covers
- Helm position indicator
- High speed magnetic compass
- Instrument covers
- Large sunbathing area forward of helm position with non-absorbent foam-filled cushions
- MP3 connector with 100w amplifier
- Moulded non-slip deck surface
- Powered steering
- Radar arch/mast
- Remote anchor winch controls
- Remote control searchlight with controls at both helm stations
- Repeat autopilot controls
- Repeat flybridge engine instrumentation, controls and electronics
- Stainless steel handrails
- Storage unit housing waste bin
- Teak laid oversize flybridge steps
- Teak table
- Trim tab controls
- VHF radio incorporating intercom
- Waterproof speakers
- Wind-deflecting screen with grab rail

Helm

- 12V socket
- Access to deck via side door

- Adjustable/tilt steering wheel
- Bilge pump switches with integral operating warning lights and audible alarms
- Bow thruster controls
- Chart table and light
- Controls for engine bay fire extinguisher system
- Drinks holders
- Electronic single-lever throttle and gear controls for port and starboard engines
- Foghorn with siren and loudhailer facility
- Fuel gauges
