### *11. COMMENTS*

This 19-meter pocket super yacht represents the transition between the WallyTender and the larger WallyPower yachts. She fully exploits the WallyPower line concept to integrate design and function, and combines large interior volumes with high

performance sea keeping, and wide open air areas. The 64 WallyPower features the unique and marked characteristics of the Wally motor yacht models.

She is ready for the 2018 season with a complete service to her engine, jets, and all other major systems during the winter of 2016 / 2017. Also her roof structure has been totally rebuilt and top repainted.
