Overview

“Grace” is a one of a kind tastefully customized 52 VIKING SPORT, from the tuna tower to the breakfast nook.

This 52 Viking started out a 3 sided cabin in Michigan and was bought by a gentleman in Jupiter. That owner went ahead with adding the aft bulkhead and made the boat a 4 sided salon/helm. The salon was finished off with all yacht quality finishes and materials. He then added a breakfast nook opposite the galley with two chairs.

On the exterior, they remove the pulpit, bow rail and finished off the areas to look as if they were never there at all. He added the custom tower and the hydraulic outriggers. They also added rod storage in the overhead above the mezzanine.

Both the previous owner and the present owner have taken excellent care of this vessel and have loved her every day. She is a real fishing machine!!!!!!!!!!!!!! All the engine service are up to date and she is ready to cruise and fish.

Clean fishing machine! This boat has a new PB tower, BRAND NEW RADAR and is Captain Maintained and much more!
