Manufacturer's Description

Graceful and spacious, the Sunseeker 80 Predator enjoys the same attention to detail and scope for personalization as the other graceful models in this range. Below deck arrangements allow for two double guest cabins and two twin guest cabins with crew accommodation in the stern.

With a cruising speed of 24 knots, the range is around 350 nautical miles. At full throttle the yacht will provide a comfortable 28-30 knots. She has excellent exterior spaces providing ample seating and sunbathing space while the large aft submersible bathing platform provides plenty of space to carry a tender or jet skis

Additional Features

- Seamless Transfer for AV equipment when switching over powers via inverter
- Black Water Tank discharging to dockside or overboard
- Toilets discharging overboard or to blackwater
- Aluminum freshwater tank with electric sending unit
- Fuel tank with electric sending unit
- Grey water tank discharging overboard
- Chilled water air conditioning system
- Bilge Pumping System
- Immersion Heater for Calorifier
- Alarm System-sensors at all exterior access points
- Stern Docking Flood lights
- Aqualuma LED Underwater lights, 4 on stern and two on each side

- Glendinning Cablemaster
- Chocks on platform
- Tender recovery system with winch for tender to fit in garage
- Freshwater deck washing system forward and aft

Exclusions

Owner's personal belongings.
