## Overview

---

TOP REEL has performance and amenities not typically found in a mid-forty foot yacht, she is located in Naples FL and is ideal for any owner-operator, the 45EX delivers on the Hatteras tradition of unmatched build and ride quality, while equipping all those aboard with a lavish setting to relax, entertain and pursue life's adventures. Family and friends will love the integrated electric grill. And in the evenings, unwind in the thoughtfully designed open-concept cabin/galley and well-appointed overnight accommodations.

Starboard engine hours 348, Port engine hours 349, Gen hours 569 Engines have Platinum Extended Service Coverage (ESC) until April 14, 2018 with a \$0 deductible

### **Electronics:**

#### **Navigation**

Simrad NSO EVO2 navigation system with two 19" touch monitors

Simrad IS40 Digital Display with backup depth transducer

Simrad AP28 Autopilot

Simrad NSS9 EVO2 upper station

#### **Radar**

Simrad TX25 25kW 7' open array radar

#### **Fishfinder**

BSM-3 Broadband Sounder

Structure Scan II HD imaging module

#### **Communication**

ICOM 506 VHF radio

Command mic IV remote microphone upper and tower

30 watt Hailer Horn

2 Comrod 16' VHF antennas

Simrad NAIS400 AIS transceiver

Simrad WM3 Satellite weather and radio

## Entertainment

KVH HD7 Satellite antenna configured for two DirecTV receivers

## Misc.

ACR RCL 100 remote controlled spotlight

Raymarine engine room cameras

---

## Exterior Finish / Construction

---

• Isophthalic gel coat, all areas • Blister resistant vinylester gel coat, white (hull) • Painted hull and superstructure for improved cosmetic & increased durability • Painted boot stripe, black, linear polyester polyurethane coating • Decks, non-skid surfaces, polyurethane beads • Polymer/copper based anti-fouling bottom paint • Solid fiberglass bottom with premium vinylester resins • Hull sides of resin-infused composite construction with closed cell foam core and premium vinylester resins • Solid fiberglass longitudinal stringers • Steel installed in longitudinal stringers at key locations to create engine foundations • Bulkheads, athwartship and interior decks of resin infused composite construction using closed cell foam core • Integrated hardtop

---

## Hardware / Miscellaneous

---

• Wood interior bulkheads, cabinetry in rift cut white oak, flush filled satin finish • All interior hardware in polished chrome • Anchor 6' galvanized chain, 250' anchor line • Four polished stainless-steel spring line cleats through bolted-in aluminum backing plate • Two polished stainless-steel bow cleats and chokes, stern cleats and hawse pipes, through bolted-in aluminum backing plate • Polished anodized aluminum rails on bow • Deck plates for fuel and water fills and waste pump out • Bronze rudders • Dual air horn • Fog Bell • Transom zinc • Rudder bearings and bronze struts with dripless seals • Heavy duty couplings • Alloy 22 high-strength propeller shafts • Dripless propeller shaft seals with spare seals • Propellers, Nibral high performance • Stainless-steel trim tabs • Windlass • Underwater lights • Cushion • Portable "drychem" fire extinguishers (4), U.L. approved type in compliance with United States Coast Guard and ABYC Standards • Braided nylon mooring lines (4) • Fenders (4)

---

## Engine Compartment / Bilge

---

• Painted polyurethane engine room and bilges • Powder coated grab rails • Rubber deck mat between engines • Insulation in engine room ceiling, for noise mitigation in main cabin • AC fluorescent lights • DC Lights • DC bilge blowers • 17kw freshwater cooled diesel generator • Twin diesel, freshwater-cooled main engines with electrically controlled marine gears, neutral interlocks, and exhaust silencers • Fiberglass fuel tank constructed with fire retardant resin fittings • United States Coast Guard type A1 U.L. Marine listed fuel lines • Electrical fuel priming pumps, main engines • U.L. Marine listed duplex fuel filters/water separators, engines and generators • Water tank (100 gallons) • Pressurized 24V DC freshwater pump • One 230VAC 11-gallon electric water heater • Sealed shower sump pump • Bronze/chrome-plated ball valves through bolted-in solid fiberglass on all underwater through hull fittings with electrical bonding throughout • Individual sea chests for each engine, and gensets • Fiberglass rudder shelf bolted to steel plates in the stringers • Stainless-steel steering tie-bar with pivoting self aligning ball joining connection at all cylinder and tie bar connections • Shore water connection

with pressure-reducing valve • 24-volt DC bilge and sump pumps with heavy-duty float switches and protective guards • FM200 fixed fire-extinguishing system for engine compartment with automatic and remote manual discharge and audible and visual discharge signals • DC voltmeter in DC distribution panel • Oil change systems

---

## Electrical Systems

---

• Two 24 volt bank of heavy-duty, 12 volt marine batteries (4 AGM) mounted in a fire retardant fiberglass box • Bow Thrusters, 8HP • Battery paralleling system with switch at helm • Automatic, 240 volt battery charger, 50/60Hz • Battery control panel with fuses and magnetic circuit breakers • AC and DC distribution panels with magnetic circuit breakers • AC switching panel with source selector • One 240 volt, 50 amp, retractable shoreline with ELCI ground fault protection, overcurrent protection, and fail-safe galvanic isolator • AC duplex outlet(s) with ground fault protection • DC LED lights and fixtures • Air Conditioning, 18,000 BTU's with reverse cycle heating • TV antenna, Omni-directional

---

## Cockpit

---

• Molded fiberglass mezzanine with seating • Seating with cushions across upper mezzanine • Aluminum mounting plate installed for mounting fighting chair • Bait and tackle center with storage, gas spring, full-length stainless steel piano hinges and latch • Bait tank molded into transom, 56 gallons • Tricolor courtesy lighting under gunwales • Mezzanine with integrated storage • Freezer under mezzanine seating • Electric grill built into starboard bait and tackle center • Fish boxes (2), large capacity, insulated, flush in deck with macerator • Hose and pistol-grip nozzle and freshwater wash down outlet • Hot and cold hand held shower • Shore water connections with pressure-reducing valve • Saltwater wash down • Insulated drink storage box • Icebox, fitted with gasketed lid, gas spring actuator, full length stainless steel piano hinges • Hatched, lazarette and fish boxes, heavy-duty, gasketed, draining, gutters, full-length stainless steel piano hinge and latch • Polished stainless-steel rod holders (4) • Scrubbers, in cockpit and cockpit hatch drains • Transom door with top gate, heavy duty polished stainless steel hardware • Stereo speakers (4) • Bridge deck refrigerator • Electric grill • Helm deck refrigerator

---

## Helm Console

---

• Helm wheel, stainless steel • Control station with all necessary switches • Pod console with steering wheel • Hydraulic power-assisted steering • One helm chair, one companion • Fire and bilge high water level alarms, audible • Engine instrumental panel, custom with audible warning system and hour meters • Palm Beach single lever electronic controls • Switch panels, custom, stainless steel • USB port, 110V outlet •

Helm console charger storage

---

## Galley

---

• Synthetic wood-style flooring • Fabric headliner installed on track system for service access • Dinette seating with storage underneath and wood table with stainless-steel pedestal • Quartz counter tops and storage cabinets made of finished wood • AC under counter refrigerator and freezer drawer units (1 refrigerator, 1 freezer) • AC 2 burner ceramic cook top • Microwave/convection oven with stainless steel finish • AC duplex outlet(s) with ground fault protection • DC LED under-counter lighting • DC LED dimmable lighting overhead

---

## Main Cabin

---

• Synthetic wood-style flooring • Fabric headliner on track system for service access • DC LED dimmable lighting • Skylight (1) • Access hatch to below deck equipment • Foredeck hatch, with retractable shade • Fabric and coverings, fine selection throughout • LED 32" class TV • Stereo home theater system with Blu-ray, blue tooth, USB port, Wi-fi and FM tuner • HVAC control • Smoke and carbon monoxide detectors

---

## Forward Stateroom

---

• Fabric headliner on track system for service access • Custom fabricated innerspring mattress system • Custom fitted sheet and mattress pad set • Private head access • 20" class LED TV • Stereo with DVD player • AC Duplex outlet(s) with ground fault protection • Additional rod storage in berth • DC LED lighting • HVAC control • Smoke detector

---

## Head Compartment

---

• Synthetic wood-style flooring • Fabric headliner on track system for service access • Wall coverings • Quartz counter tops, back splash, with under mount sink • Storage cabinet with mirror above sink • Base cabinet to match interior finish with storage • Mirrored doors • Freshwater toilet • Towel bar, towel ring, tissue holder, robe hook • AC recirculating fan • AC duplex outlet(s) with ground fault protection • DC LED Lighting • Holding tank monitoring system • HVAC control • Smoke and carbon monoxide detectors

---

## Exclusions

---

Owner's personal belongings.
