

TOP REEL — HATTERAS

Судостроитель: HATTERAS

Год постройки: 2015

Модель: Моторная яхта

Цена: ЦЕНА ЯХТЫ ПО ЗАПРОСУ

Местонахождение: United States

Длина общая: 45' 0" (13.72m)

Ширина: 16' 6" (5.03m)

Макс. осадка: 4' 0" (1.22m)

Крейс. скорость: 27 Kts. (31 MPH)

Макс. скорость: 33 Kts. (38 MPH)

Купить **TOP REEL — HATTERAS** а также выбрать подходящую вам яхту из нашего **каталога яхт** вам поможет опытный яхтенный брокер Андрей Шестаков. На сегодняшний день компания **Shestakov Yacht Sales Inc.** имеет большое количество яхт в **собственном списке продаж**, а также тесно сотрудничает со всеми крупными **яхтенными производителями** по всему миру.

Для того чтобы купить яхту **TOP REEL — HATTERAS** а также проконсультироваться по любому вопросу связанному с покупкой, продажей, чартером яхт позвоните по телефону **+7(918)465-66-44**.

ХАРАКТЕРИСТИКИ

Обзор

TOP REEL has performance and amenities not typically found in a mid-forty foot yacht, she is located in Naples FL and is ideal for any owner-operator, the 45EX delivers on the Hatteras tradition of unmatched build and ride quality, while equipping all those aboard with a lavish setting to relax, entertain and pursue life's adventures. Family and friends will love the integrated electric grill. And in the evenings, unwind in the thoughtfully designed open-concept cabin/galley and well-appointed overnight accommodations.

Starboard engine hours 348, Port engine hours 349, Gen hours 569 Engines have Platinum Extended Service Coverage (ESC) until April 14, 2018 with a \$0 deductible

Electronics:

Navigation

Simrad NSO EVO2 navigation system with two 19" touch monitors

Simrad IS40 Digital Display with backup depth transducer

Simrad AP28 Autopilot

Simrad NSS9 EVO2 upper station

Radar

Simrad TX25 25kW 7' open array radar

Fishfinder

BSM-3 Broadband Sounder

Structure Scan II HD imaging module

Communication

ICOM 506 VHF radio

Command mic IV remote microphone upper and tower

30 watt Hailer Horn

2 Comrod 16' VHF antennas

Simrad NAIS400 AIS transceiver

Simrad WM3 Satellite weather and radio

Entertainment

KVH HD7 Satellite antenna configured for two DirecTV receivers

Misc.

ACR RCL 100 remote controlled spotlight

Raymarine engine room cameras

PILLOWS & UPHOLSTERY THROUGHOUT

Exterior Finish / Construction

• Isophthalic gel coat, all areas • Blister resistant vinylester gel coat, white (hull) • Painted hull and superstructure for improved cosmetic & increased durability • Painted boot stripe, black, linear polyester polyurethane coating • Decks, non-skid surfaces, polyurethane beads • Polymer/copper based anti-fouling bottom paint • Solid fiberglass bottom with premium vinylester resins • Hull sides of resin-infused composite construction with closed cell foam core and premium vinylester resins • Solid fiberglass longitudinal stringers • Steel installed in longitudinal stringers at key locations to create engine foundations • Bulkheads, athwartship and interior decks of resin infused composite construction using closed cell foam core • Integrated hardtop

Hardware / Miscellaneous

• Wood interior bulkheads, cabinetry in rift cut white oak, flush filled satin finish • All interior hardware in polished chrome • Anchor 6' galvanized chain, 250' anchor line • Four polished stainless-steel spring line cleats through bolted-in aluminum backing plate • Two polished stainless-steel bow cleats and chokes, stern cleats and hawse pipes, through bolted-in aluminum backing plate • Polished anodized aluminum rails on bow • Deck plates for fuel and water fills and waste pump out • Bronze rudders • Dual air horn • Fog Bell • Transom zinc • Rudder bearings and bronze struts with dripless seals • Heavy duty couplings • Alloy 22 high-strength propeller shafts • Dripless propeller shaft seals with spare seals • Propellers, Nibral high performance • Stainless-steel trim tabs • Windlass • Underwater lights • Cushion • Portable "drychem" fire extinguishers (4), U.L. approved type in compliance with United States Coast Guard and ABYC Standards • Braided nylon mooring lines (4) • Fenders (4)

Engine Compartment / Bilge

• Painted polyurethane engine room and bilges • Powder coated grab rails • Rubber deck mat between engines • Insulation in engine room ceiling, for noise mitigation in main cabin • AC fluorescent lights • DC Lights • DC bilge blowers • 17kw freshwater cooled diesel generator • Twin diesel, freshwater-cooled main engines with electrically controlled marine gears, neutral interlocks, and exhaust silencers • Fiberglass fuel tank constructed with fire retardant resin fittings • United States Coast Guard type A1 U.L. Marine listed fuel lines • Electrical fuel priming pumps, main engines • U.L. Marine listed duplex fuel filters/water separators, engines and generators • Water tank (100 gallons) • Pressurized 24V DC freshwater pump • One 230VAC 11-gallon electric water heater • Sealed shower sump pump • Bronze/chrome-plated ball valves through bolted-in solid fiberglass on all underwater through hull fittings with electrical bonding throughout • Individual sea chests for each engine, and gensets • Fiberglass rudder shelf bolted to steel plates in the stringers • Stainless-steel steering tie-bar with pivoting self aligning ball joining connection at all cylinder and tie bar connections • Shore water connection

with pressure-reducing valve • 24-volt DC bilge and sump pumps with heavy-duty float switches and protective guards • FM200 fixed fire-extinguishing system for engine compartment with automatic and remote manual discharge and audible and visual discharge signals • DC voltmeter in DC distribution panel • Oil change systems

Electrical Systems

• Two 24 volt bank of heavy-duty, 12 volt marine batteries (4 AGM) mounted in a fire retardant fiberglass box • Bow Thrusters, 8HP • Battery paralleling system with switch at helm • Automatic, 240 volt battery charger, 50/60Hz • Battery control panel with fuses and magnetic circuit breakers • AC and DC distribution panels with magnetic circuit breakers • AC switching panel with source selector • One 240 volt, 50 amp, retractable shoreline with ELCI ground fault protection, overcurrent protection, and fail-safe galvanic isolator • AC duplex outlet(s) with ground fault protection • DC LED lights and fixtures • Air Conditioning, 18,000 BTU's with reverse cycle heating • TV antenna, Omni-directional

Cockpit

• Molded fiberglass mezzanine with seating • Seating with cushions across upper mezzanine • Aluminum mounting plate installed for mounting fighting chair • Bait and tackle center with storage, gas spring, full-length stainless steel piano hinges and latch • Bait tank molded into transom, 56 gallons • Tricolor courtesy lighting under gunwales • Mezzanine with integrated storage • Freezer under mezzanine seating • Electric grill built into starboard bait and tackle center • Fish boxes (2), large capacity, insulated, flush in deck with macerator • Hose and pistol-grip nozzle and freshwater wash down outlet • Hot and cold hand held shower • Shore water connections with pressure-reducing valve • Saltwater wash down • Insulated drink storage box • Icebox, fitted with gasketed lid, gas spring actuator, full length stainless steel piano hinges • Hatched, lazarette and fish boxes, heavy-duty, gasketed, draining, gutters, full-length stainless steel piano hinge and latch • Polished stainless-steel rod holders (4) • Scrubbers, in cockpit and cockpit hatch drains • Transom door with top gate, heavy duty polished stainless steel hardware • Stereo speakers (4) • Bridge deck refrigerator • Electric grill • Helm deck refrigerator

Helm Console

• Helm wheel, stainless steel • Control station with all necessary switches • Pod console with steering wheel • Hydraulic power-assisted steering • One helm chair, one companion • Fire and bilge high water level alarms, audible • Engine instrumental panel, custom with audible warning system and hour meters • Palm Beach single lever electronic controls • Switch panels, custom, stainless steel • USB port, 110V outlet •

Helm console charger storage

Galley

• Synthetic wood-style flooring • Fabric headliner installed on track system for service access • Dinette seating with storage underneath and wood table with stainless-steel pedestal • Quartz counter tops and storage cabinets made of finished wood • AC under counter refrigerator and freezer drawer units (1 refrigerator, 1 freezer) • AC 2 burner ceramic cook top • Microwave/convection oven with stainless steel finish • AC duplex outlet(s) with ground fault protection • DC LED under-counter lighting • DC LED dimmable lighting overhead

Main Cabin

• Synthetic wood-style flooring • Fabric headliner on track system for service access • DC LED dimmable lighting • Skylight (1) • Access hatch to below deck equipment • Foredeck hatch, with retractable shade • Fabric and coverings, fine selection throughout • LED 32" class TV • Stereo home theater system with Blu-ray, blue tooth, USB port, Wi-fi and FM tuner • HVAC control • Smoke and carbon monoxide detectors

Forward Stateroom

• Fabric headliner on track system for service access • Custom fabricated innerspring mattress system • Custom fitted sheet and mattress pad set • Private head access • 20" class LED TV • Stereo with DVD player • AC Duplex outlet(s) with ground fault protection • Additional rod storage in berth • DC LED lighting • HVAC control • Smoke detector

Head Compartment

• Synthetic wood-style flooring • Fabric headliner on track system for service access • Wall coverings • Quartz counter tops, back splash, with under mount sink • Storage cabinet with mirror above sink • Base cabinet to match interior finish with storage • Mirrored doors • Freshwater toilet • Towel bar, towel ring, tissue holder, robe hook • AC recirculating fan • AC duplex outlet(s) with ground fault protection • DC LED Lighting • Holding tank monitoring system • HVAC control • Smoke and carbon monoxide detectors

Исключения

При продаже яхты исключаются личные вещи владельца.

Отказ от ответственности

Компания предоставляет описание судна или яхты добросовестно, но не может гарантировать точность этой информации, а также не ручается за техническое состояние. Покупатель должен проинструктировать своих агентов или оценщиков исследовать представленную информацию более подробно, по собственному желанию. Продажа судна или яхты, изменение цены или снятие с продажи будет происходить без предварительного уведомления.
