Overview

BOAT SHOW CONDITION!

VERY MOTIVATED SELLER WANTS TO SELL THIS SEASON! PLEASE CONTACT US NOW FOR A CONVENIENT SHOWING!

Wow, this is one Smooth-riding Cat with Cummins Diesel Power! If you have never been aboard and ridden in a Glacier Bay Power Cat, you are in for a great surprise. She has the smoothest ride you will ever find in any boat of this size. The terrific layout splits the difference between family cruiser and offshore fisherman. Huge cockpit, spacious bridge deck boasts L shaped seating, superb helm layout with wraparound dash. An experienced owner has given her excellent care and maintenance and is in turnkey condition. Additional features include a well finished air-conditioned interior, 47 gallon live-well, Taco telescoping outriggers, full tackle center, and generous rod storage. Ready to go now!!

Vessel Specifications

Vessel Walkthrough Boarding is safe and easy from the swim platform aft. Inboard diesel engines mean no outboards in the way when boarding, swimming or fishing. Walk thru the transom door to the large cockpit area where you will find a terrific bait prep station and bait well. A step up and you are in the fully enclosed and airconditioned helm / lounge area with all the navigation, entertainment and communication equipment, a dinette that becomes a single berth and overhead storage/ rod storage. From here you can go down into the port hull where the head and shower is aft and the master double berth is forward. Entering down into the starboard hull, we have the galley aft and the guest cabin/office area forward.
