# DETAILED INFORMATION

---

## Vessel Walk Through

---

The distinctive and cutting-edge styling of this Sea Ray 290 is a show stopper. Sea Ray designers created a uniquely American blend of sweeping lines and graceful accents to create her rakish good looks and proven performance. Built on a deep-V hull with a moderate beam and tall freeboard forward, the 290's accommodations are both practical and luxurious. She offers an expansive cockpit that includes a wet bar with Corian counter, a stainless steel sink, refrigerator, teak table and ample storage. A transom shower and transom storage locker are both large for a vessel of this size, and a forward-facing radar arch is quite wide that some say resembles a small hard top. Below decks, the 290 is well appointed with solid cherry cabinets and great natural lighting. She has a dedicated mid-cabin and an innovative "living room" style arrangement in the cabin interior that converts into a couch or into a large center line forward berth.

## Inside Equipment

---

- Air conditioning
- Heating
- Microwave oven
- Refrigerator
- Battery charger
