The unique three cabin and two head layout in the Rodman 41 is a fantastic achievement in a boat of this size. This layout certainly works well still offering comfortable, spacious berths with plenty of storage. The Rodman 41 is a fast boat with various engine options available reaching top speeds of 31 knts and a comfortable cruising speed of 28 knts. There are clear echoes of Rodmans long standing commercial background in the engine room. Throughout the whole Rodman range engine room space is their number one priority with easy accessibility to all engine essentials such as filters and seacocks. Vessel Walkthrough True "Walkaround" style diesel boats., fish rigged proven profitable charter boat, well keep, runs great, all systems working. great sea keeping with dual helm convenience, cheap to operate and great fishing flexibility with full walk around feature.

The interior is tastefully appointed with high gloss cherry cabinetry The two stateroom layout offers a comfortable master stateroom forward, twins in the amidships guest stateroom to port, and a large head with separate shower The galley is down on the starboard side with steps up to the bright and airy salon which features a dinette, the functional lower helm, as reverse cycle heat and a/c and opening windows provide year round comfort.

The saloon area is well designed offering seating for at least six people with a large aft deck and bathing platform for entertaining. The galley with it's large corian counter top, overhead storage units and all round views creates a lovely ambience for preparing meals.

The fishing cockpit and walkarounds are ideal for the serious fisherman and cruiser alike. A small platform and folding ladder offer easy access for snorkeling, diving, from dingy or dock, without interfering with getting game on board. A U-shaped settee on

the bridge is perfect for family or friends.
