## Overview

---

Kindred Spirits is a beautifully appointed flush deck pilothouse motoryacht from the design board of Jack Sarin. Her 4 stateroom, 4 head layout provides lush accommodations for all on board. The open salon with single level arrangement makes for a feeling of spaciousness while maintaining warmth and comfort.

# DETAILED INFORMATION

---

## Layout

---

Upon entering the salon from the aft deck the custom sofa is to port with 2 recliners, with fold down TV tray and two storage ottomans. Across to starboard is the entertainment cabinet with Hi-Lo flat screen TV, A/V system and storage. In the aft starboard corner is a circular stairway to the master suite and engine room. The salon is finished in high gloss teak with beautiful blue carpeting (2016) and Roman shades on the windows for an elegant and nautical look.

Mid-ships to starboard is a chef's galley with under counter refrigerator, freezer, convection microwave, dishwasher, double sink, abundant storage (above & below) and counter space. Across to Port is the stairway to the flybridge.

Forward in the wheelhouse is the lower helm to starboard with complete navigational equipment and a 4 person dinette to port with storage below.

The master suite is full beam and located on the lower deck, aft. This stateroom features a King berth on center with end tables port and starboard. Drawer storage is found outboard on both sides with hanging lockers, cedar lined. The master head is to port, forward with large comfortable stall shower, head and vanity with storage.

Forward on the lower deck is the VIP with Centerline pedestal berth forward with ensuite access to head with stall shower and complete amenities. To port is the office with desk and drawers and port light for natural light. Aft are two guest staterooms with twin berths and private heads. Port stateroom has elevated berths to accommodate washer and dryer. Starboard stateroom converts to large berth with moveable twin berth.

All interior furnishings were renewed in 2016 with super high quality materials for an elegant nautical feel. No expense was spared in making this boat as luxurious and comfortable as possible.

---
