Overview

RECENT UPGRADES!

Bow Thruster Motor

New Anchor Windlass

TV Antenna and Amp

Cockpit Carpet

Batteries

Props

Canvas Zippers Replaced

Approximately 450 Hours

The 460 Cruisers is a great family cruiser with two private staterooms with their own private heads. The master stateroom is unique among mid size express cruisers in that it is located aft of the salon and utilizes the full 14' beam. This vessel features a queen size island berth and split head design. What a great master stateroom! The guest stateroom features a privacy door and split berth design and private head. The salon of the 460 features a large Ultraleather sofa and solid cherry dinette table along the starboard side and opposite the fully equipped galley with Corian counter tops.

Above decks is a huge cockpit protected by a full hard top and enclosures. As with all Cruisers Yachts, a walk thru windshield provides safe and easy access to the foredeck. The spacious cockpit offers seating for 10 adults in air conditioned comfort. A functional wet bar features sink, bottle storage and refrigerator/ice maker combo. Her user friendly helm brings everything into easy reach and features a keyless ignition system and a complete compliment of electronics and bow thruster. A full beam integrated swim platform provides plenty of room for boarding and three large storage compartments.

This vessel is FULLY equipped and has had excellent care.
