Vessel Specifications

The “Klondike” keel was laid in 1978, but this robust cruiser was not commissioned until 1985! Built by Vinette Shipyards in Escanaba Michigan, this 37’ Long Range Trawler is built like a ship. Steel-the hull material for most all commercial vessels for many reasons, and the list starts with safety through strength, ease of adding and changing accessories and brackets, and the low cost of repairs, etc. Floating objects that do not move prove the value of a steel hull! You would never know by her civilized, warm, bright cherry-wood interior that she is built like a battleship below. Commercial features and construction methods, combined with an attractive and wonderful hull form present you with the opportunity to own a true gem.

Her interior boasts an up galley comfortably situated within range of the comfortable salon seating and dining area. Her centerline Helm with complete electronics is also within range of conversation throughout the salon, and contains a comfortable and stable helm chair.

Forward and down, is a Guest cabin with Vee berth and storage, as well as a comfortable head with vanity.

Aft of the salon and down, you will find the Master cabin with plenty of clothes storage, as well as a master head with stand-up shower.

The fully enclosed Bridge is very comfortable, and contains the upper electronics package, then down to the aft deck with new fell bimini, which contains storage boxes, and dinghy davits with a hard dinghy.

ITEMS INCLUDED:

-Detroit 6V53N single diesel with 2352 hours

-Onan 5KW generator with 1150 Hours
