SPECIFICATIONS

Overview

Very well mechanically maintained 45 Viking. All engine services including the 1,000 hour service have been performed. This boat has a 2 stateroom 2 head layout. The flybridge is roomy with bench seating with storage across the front and the starboard side. The helm is huge with flush mounted electronics cabinets. The visibility is great for close quarter handling or running 28 kts in the open ocean. The 45 Viking has all the amenities to have a comfortable day offshore fishing or doing an overnight fishing trip out in the canyons. This boat would also make a great family cruiser for the weekend getaway.
