ПОДРОБНОЕ ОПИСАНИЕ

Vessel Walkthrough

Roxy Maria is a flush deck motor yacht designed for an experienced owner who wanted a family friendly layout. She has a full walkaround deck with four spacious cabins plus crew quarters aft. The rich high gloss Cherry wood interior layout starts with an open and inviting salon with large windows full of natural light. Moving forward as you enter the extremely spacious galley there is a lavish day head finished in marble to starboard. The galley features a forward facing seating area backed up to the granite counter top giving you a 270 degree view forward across the impressive lower helm.

There is port and starboard access doors to the outside walk around as well as stairs to both the lower deck and flybridge. The lower deck features a luxurious full beam master aft with natural light coming through large hull side windows and a large ensuite full bath. Each of the other three staterooms have private ensuite heads. The VIP is forward with full walkaround queen bed and plenty of wardrobe storage. The two midship cabins have side by side twins with additional Pullman bunks for up to three guest. The twin beds can also be brought together to convert to a single queen size bed. Headed back up to the main deck you have flybridge accessed either by continuing up through the pilot house stairs or the molded stair case on the aft deck.

As you enter the flybridge you immediately notice the continuous flush deck from the aft rail to the forward helm. Under the hardtop it is fully enclosed with EZ2CY with plenty of air-conditioning, a fully equipped wet bar, two large dinettes facing each other port and starboard with a large 60" Sunbrite television. Forward is the twin Stidd helm chairs and a fully equipped helm station with all new Garmin electronics. Headed back aft of the hardtop is the sundeck fitted with a proper BBQ grill and quick lift 1600lb davit for additional toys. With the new addition of a hydraulic extended swim platform the tender can be carried down and quickly launched which also enables a set of full size lounge chairs and sundeck furniture to be left in place all the time. Heading back down thru the aft molded stairs you land on the teak aft deck where there is a large inlaid table with seating for 10, complimented by a side board with refrigerator and overhead storage cabinet. There are docking wing stations on both port and starboard sides as well as Port & starboard boarding gates for side to docking. The full walkaround is an excellent practical feature to dock the yacht or just walk directly to the huge sun pad forward and dry off after a swim. Returning back to the transom you also have Euro style steps down to the oversized swim platform. The crew quarters and engine room are accessed through the transom door. Roxy Maria is the perfect layout for extended cruising and is a pleasure to show with several must see options and updates.

Salon

Entering the salon from the aft deck via full width stainless steel and glass doors is

inviting with rich Cherry wood and updated décor. Highlighted by oversized windows creating plenty of natural light and visibility while cruising or at rest. Starboard in the salon is finished with a long credenza with great storage and new 60" pop up smart TV, Crystal cabinet and liquor storage below. The port side has a large couch and chase lounge with ottoman as well as two electric recliners to relax and or watch crystal clear HD television. The AV center is aft to port all controlled by a single command remote control entertainment system. The new carpet, fabric and blinds as well as sconces and all new overhead dimmable LED lighting leaves little or nothing to update.

Galley

Well lit, expertly laid out and all the way forward on the main deck is the galley area with a country kitchen layout. Large front and side windows offer a great amount of ambient lighting with a 270 degree view. The massive galley satisfies the most demanding chef and boasts a huge forward facing dinette which is a great place to be while underway. The U shaped dinette is raised to the galley counter height and gives an unobstructed view across the impressive lower helm console. The Stidd helm chairs will rotate to add two additional seats at the galley dinette by flipping up the galley table extension.

The galley contains the following features:

- Abundant granite counter top area
- Teak & holly flooring throughout
- Seagull water purifier
- GE profile cooktop with 5 burners
- GE full oven
- GE profile microwave
- GE profile Refrigerator with cherry panel
- GE disposal in oversized 60/40 stainless steel sink with disposal and insta hot water
- GE profile dishwasher with cherry panel

- Two Garmin GPSMAP 8215 15" color touchscreen GPS/ Plotter
- GSD 25 Premium sonar module 200/50khz
- GMI 20 Marine instrument display depth/speed/temp/trip log
- GXM 52 SiriusXM marine weather
- Garmin GMR 624 xHD2 open ray Radar 72 mile
- Garmin GMR 24 XHD Radar, second unit
- Simrad AP25 Auto pilot
- Simrad Auto pilot R3000X hand held remote
- Wave WIFI high performance system
- Icom VHF M602
- Speco Hailer
- ACR RCL 100B spot light
- ACR Globalfix iPRO 406 GPS Epirb
- Panasonic Camera system with 3 cameras, Engine room , Aft Deck, Flybridge
- Iridium Extreme 9575 Satellite phone

Companionway

Down the steps starboard of the lower helm and galley is the lower deck accommodations.

At the bottom of the stairs one can go forward to the VIP stateroom and in the hall way is the laundry center with full stack GE washer & dryer.

The sole is carpeted and the walls are finished with white whisper walls and cherry wood inlay and bright LED overhead lights.

Moving aft is the port & starboard guest cabins as you approach the full beam master stateroom aft.

Master Stateroom

The aft most cabin being the master is in the widest, quietest part of the yacht. Entering from the forward end the King size island berth is on the aft bulkhead. The headboard is mirrored and finished with Cherry wood night stands on either side as well as several large drawers under the bed. A total of six large hull side windows bring in the natural light. Hull side is 12 drawers under a make up vanity desk to port and another 12 large wardrobe drawers to starboard. A full walk in closet as well as a second closet to starboard. On the forward bulkhead is a 32" Samsung television.

The ensuite head offers a Marble counter with his and her sinks as well as an oversized stall shower. The floor is Marble as well and has a Headhunter toilet with plenty of storage and vanity cabinet space.

VIP Stateroom

- Featuring a centerline Queen bed with storage drawers below
- Mirrored Headboard with Sconces and overhead reading lights
- Cherry wood cabinetry high and low with plenty of storage cabinets port and starboard.
- Two overhead bowmar hatches
