## Overview

---

Italian luxury combines with modern design and innovation making the 66 Magellano a true mega-yacht in just 20 meters. With the DNA of a modern trawler, the Magellano is ideally suited to long voyages. The new Dual Mode Hull guarantees unparalleled comfort, even in rough seas, and the cruising speed can be adjusted at will to suit the needs of life on board. This means you can move around a Magellano with complete peace of mind, even when cruising at sea, because the different levels are separated by just a few steps and the wide passageways are protected by deep gunwales.

## Features & Highlights

- Seakeeper Stabilization System with additional control station on flybridge
- Proportional Bow Thruster w/Xenta Joystick
- Proportional Stern Thruster
