## **VESSEL WALK THROUGH**

---

The huge cockpit can be entered easily from the fold down transom/swim platform, or by the permanent boarding ladder aft. Cockpit is the twin wheel design with easy access fore and aft, and abundant seating. There are also additional sun lounging areas on the cabin top to either side of the main companionway. Entire cockpit is protected by large Bimini and dodger, with additional side panels to provide sun protection.

A 45-degree stairway (unique to Beneteau) leads below to the Salon, Galley and sleeping cabins.

To Starbd at the foot of the companionway is the convenient day head (also private access to the aft cabin), and to Port is the U-Shaped Galley

Moving forward through the Salon there is a Nav Station, and unique dining area to Starbd. A settee pivots to form either a long settee, or facing dinette seating. There is also additional dinette seating along the Starbd Hull.

Opposite on Port side is another settee with a cabinet behind the Settee that contains a TV on an electric lift that can be raised for viewing or lowered – out of the way.

Forward of the Salon bulkhead, is the Huge owner's suite with centerline queen berth, and separated head and shower compartments on the Port and Starbd sides. There is a cabinet with wash basin in the Port side head, and a second cabinet with wash basin outside of the shower on Starbd side.

Aft, are two additional guest cabins, each with private head and shower.

On the forward deck is a large hatch leading to the Crew cabin – or additional guest cabin for an owner operated vessel. This cabin also has a head and shower and upper and lower berths. The crew cabin is also a large convenient storage space when not used as a sleeping cabin.

---

## SALON and GALLEY

---

**Salon:** Salon is bright and airy with opening overhead hatches, and side cabin windows. There are also 4 large fixed windows in the hull for light and to be able to easily see to either side of the vessel.
