SPECIFICATIONS

Overview

The **WIDER 32** is an exclusive day-cruiser for anyone who loves performance and originality, matched with the comfort of well-designed living spaces.

The boat can be uniquely personalized by choice of color combinations for the composite hull and superstructure. She offers one of the most unique layout in her category, as a cabin with unexpected volumes and heights, separate bathroom with shower, interior galley, rear deck with side access for easy on board entrance.

The WIDER 32 is also an easy boat to handle thanks to the combination of twin Mercruiser TDI 260 HP engines and the well-designed deep V hull, which absorbs the impact of waves. The twin engines make maneuvering easy in tight confines, while allowing for the necessary power to achieve a top speed of 37 knots.

The boat, **fully equipped** and launched at the beginning of 2016 nautical season, is in showroom conditions with few engine hours, has been used only by our captain for promotional purposes.
