- New Exhaust Risers (October 2017)

## Vessel Walkthrough

---

Boarding *"Sweet Escapes II"* from midship you walk aft through walk-around side decks to a large Aft Deck with covered overhead with a large settee. Going forward from Aft Deck through double sliding doors you enter the ample salon with large windows all around, offering spectacular views from the L-shape sofa, settee and complimenting barrel chairs to starboard, with a custom matching Teak coffee table in the middle of the Salon. Going forward and up several steps, you enter the open Galley/Pilothouse arrangement with U-shaped Galley countertops. The Galley is also partially open to the Salon as well. The Galley features the finest appliances; a recessed cooktop, large microwave/convection oven, dishwasher and double sink with a trash

compactor. The Pilothouse has a Stidd Admiral Helm seat with a custom settee to port with drop-down settee and leafs in the settee table that can be removed for easy access passageway. The Owner and Guest Staterooms are accessed from the starboard side of the Pilothouse and down a staircase. The Forward VIP Staterooms offer an Island Queen berth with drawers, a closet and an en-suite head, which was custom designed for a Jacuzzi tub. The second Guest Stateroom is on the port side with a large single berth, drawers and hanging locker. The Master Stateroom is aft and full-beam with a King berth with six drawers, port and starboard, walk-in cedar-lined closet with 3 hanging rods. The Master Head offers a second egress for the Master and Guest Staterooms. The Flybridge is accessed from the Pilothouse and Aft Deck, she offers excellent seating for a large party and the helm features two matching Stidd chairs.

---

## Aft Deck

---

- Decking, teak
- Engine room access via Lazarette
- Molded steps to swim platform with doors
- Stairs to Flybridge, stainless steel with teak steps
- Swim platform

---

## Salon

---

The Main Salon features an entertainment center on the starboard side which houses TV, an L-shaped settee with storage, 2 barrel chairs and a custom teak coffee table.

---

## Galley

---

The Galley features all upgraded appliances, double catches on all locker doors and a custom inboard glass locker. The Galley layout was custom designed for the yacht using the finest appliances available.

- (2) Sub-Zero Refrigerators - (4 drawers total)
- Icemaker
- Thermado Microwave convection oven
- Miele cooktop
- In-Sinkerator Garbage disposal
- KitchenAid Trash compactor
- Fisher Paykel Dishwasher
- Corian Countertop
- Franke Stainless Steel sink
- Faucet, swivel

- Hot water heater at Galley sink
- Teak Cabinetry
- Locker, overhead, teak
- Dish locker with adjustable shelves, teak
- Drawers with guide and stops
- Exhaust blower, 24 volt

## Pilothouse

---

There is a dinette with a teak table and inlaid tabletop on the port side of the pilothouse with a flip-down dinette seat to allow for a passageway through the port side deck. There are two sliding doors; one to port and one to starboard to create this custom passageway. The Stidd seat is a Series 500-200 low back, upholstered in Sand Ultra-leather with cup holders on the right side, teak footrests and one pair of hubs

- Alarm panel, engine temperature, oil pressure and bilge, loss of cooling water
- Bow thruster controls
- Compass with light
- Engine start/stop controls
- Gear and throttle controls, electronic
- Helm seat, STIDD, adjustable and swivel
- Rudder angle indicator
- Steering wheel, teak with teak rim
- Teak rails and hand grips
- Tempered glass
- Simrad AP70 Autopilot
- ITT Jabsco Searchlight
- Simrad IS15 Compass digital
- Tank Sentry Gauge for water, grey water and black water
- VDO Rudder Angle Indicator

## Electronics & Entertainment - NEW 2015

---

- Garmin 7616XSV Quad Display System (2 units at each station)
- Garmin GMR424XHD 4kW, 72nm, 4' Open Array Radar
- Garmin Transducer tied into 7616s for Depth
- Garmin Sirius Satellite Weather System
- NMEA 2000, 0183 & Ethernet interfacing
- KVH HD7 High Definition DirecTV Satellite System
- KVH HD7 Dummy Dome (for symmetry)
- DirecTV HD Satellite Receiver in Salon
- (2) Additional DirecTV Receivers

- Video interfacing with 4xGarmin Displays
- Hailer PA Horn
- 2x Galaxy 17.5 VHF Antennas
- ICOM M506 NMEA 2000 AIS VHF Radio with remote mic
- (4) LED Samsung TV's (New)

---

## Master Stateroom

---

The Master Stateroom is located aft featuring a King berth with upgraded 9.5" mattress, reading lamps, hanging lockers and drawers for ample storage. There are bookshelves to both port and starboard sides of the bureau.

---

## Master Head

---

The Master Head features a large Roma steam shower with teak-slatted seating and a tempered glass enclosure that seals for maximum steam containment. There are two adjustable shower sprays and a digital timer. The steam shower has a fiberglass ceiling and ceramic tile floor.

---

## VIP Stateroom / Forward

---

The Forward VIP Stateroom features an Island Queen berth, storage below, hanging lockers to both port and starboard and plenty of drawers for ample storage.

---

## VIP Head

---

The VIP Head is a total custom design and features a large off-white Jacuzzi tub with shower head and a tempered glass partition. There is a small vanity with pencil drawer and a mirror.

---

## Guest Stateroom and Head / Port

---

The Guest Stateroom is amidship and features an enlarged single berth, hanging locker and plenty of drawers for additional storage. En-suite head and shower.

---

## Flybridge

---

The Flybridge features 2 custom Stidd helm chairs with low backs upholstered in Almond Ultra-leather and cup holders (right side). There is an electric grill and an icemaker/refrigerator as well as a freshwater wash-down. The stainless steel rails

extend to the full-length of the deck overhangs going forward for maximum safety and storage-ability. A custom drawer is built into the control station between the helm chairs. Forward of the Flybridge chart case is a sliding door to house loose VHF radios, cell phone, etc. with electrical outlets and trash can.

- Alarm panel, engine temperature, oil pressure and bilge, loss of cooling water
- Bow thruster controls
- Davit, electro-hydraulic 1000-lb with hydraulic rotation, 24 volt control
- Icemaker, fridge, sink and JennAire BBQ grill
- 2002 11' Boston Whaler 120 tender with Mercury 40hp outboard
- (2) Settees, molded fiberglass with tables and cushions with storage
- Windshields, Venturi

---

## Electrical Equipment

---

- Flybridge lights recessed in radar arch
- Fresh water system pressurized with 24V pump and accumulator tank
- Heavy duty battery isolators/switches
- Indicator lights, bilge, fresh water pump, generator running, E/R light, water in fuel filter
- Shore power, Glendenning Cablemaster 24 Volt DC for 220V 100 amp 60Hz at stern Spare breakers, four AC and 10 DC SSB radio ground screen
- Windshield wipers, three with washers and speed control/self-parking features

---

## Exterior Equipment

---
