SPECIFICATIONS

Overview

This 2006 52 Sea Ray Sedan Bridge is a beautiful, well cared for cruising yacht. It boasts a fiberglass hardtop with isinglass enclosure, as well as custom blackout screens and air conditioning in the bridge. Three staterooms and two large heads with separate showers will accommodate you and your guests with luxurious appointments throughout the boat. Cummins engines effortlessly push the boat along and in rough weather you can turn to a Mitsubishi gyro stabilizer for comfort in almost any sea condition. Whether you plan to use the boat for local cruising or the Great Loop, this boat will turn heads everywhere it goes.

Deck Material: Fiberglass

Hull Configuration: Modified Deep Vee **Hull Color:** Custom Metallic

Engine Information

Manufacturer: Cummings

Model: M180TA

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Vessel Walk Through OR Overview

Boarding the vessel from the stern, you will step across a large, fiberglass swim platform and past transom storage lockers to enter the cockpit through a swinging door. The cockpit sunshade enclosure provides shade and protection from the elements once inside the cockpit. Tucked behind cockpit seating you will find a 1200lb davit crane for launching and recovering a tender. To port, you will see molded fiberglass stairs leading up to the flybridge, and side deck access to port and starboard leading to the bow. Below cockpit carpeting, you will find access to the engine room through a deck hatch. Moving forward, the sliding glass salon doors open up into a spacious salon seating area to port, a secondary seating area with a sleeper sofa to starboard and a flatscreen TV immediately inside the door on the starboard side. The galley is midships to port and boasts large refrigerator and freezer, double basin sink, microwave and two burner cooktop. Across from the galley to port and raised up is a u-shaped couch with an adjustable height dinette table. Stepping down a center staircase, you will find bunk beds in a small room to starboard, and access to the midship master stateroom to port. The VIP stateroom has a queen size island style bed, hanging locker and private access to the head. Forward from there is day head access to the VIP head to port and access to the master stateroom straight ahead. The master stateroom has a queen size island style bed, dual hanging lockers, a flat screen TV and direct access to a private head with separate oversized shower. The flybridge has dual helm chairs at a starboard set helm, with upgraded electronics and good visibility fore and aft. In front of the helm is a U-shaped dinette to starboard with ice maker, prep sink and flatscreen TV to port.

Salon

- Curved overstuffed sofa in Ultraleather HP
- Dual free standing ottomans
- Bose Lifestyle 48 120V 2-zone DVD media center w/ Bose dual set cube speakers (6)
