# SPECIFICATIONS

---

## Overview

---

The 40 Double cabin layout is expansive. The upper helm station has great visibility for navigating and plenty of seating area between the upper and lower aft deck, you will have no problems walking around the main wide decks with its sturdy hand rails that one would expect from a Hatteras. Down below forward and aft staterooms and heads are separated by a huge salon area and full galley. If planning a long or short voyage this layout affords you and your guest room to move about without the feeling of being on top of each other. Great Loop cruisers - No problem 15'9" clearance to the arch.  
DYSID:3090090
