SPECIFICATIONS

Overview

The 52 Ovation was built by Silverton Marine Corporation to be its new flagship brand and set a new standard of luxury for a vessel her size. Attention to detail is on full display with warm cherry wood work throughout, designer fabrics and upgraded hardware. Extremely spacious in all areas, she feels like a much bigger boat. Thanks to her optional (3) IPS 600 joy stick controlled pod drives she is extremely easy to maneuver. Combine that maneuverability with walk around side decks and you have yourself a perfect couples or family cruising vessel. "Mon Chateau" has been highly customized, continuously maintained and loved by her original owners.

DETAILED INFORMATION

Introduction and Walkthrough

The 52 Ovation was built by Silverton Marine Corporation to be its new flagship brand and set a new standard of luxury for a vessel her size. Attention to detail is on full display with warm cherry wood work throughout, designer fabrics and upgraded hardware. Extremely spacious in all areas, she feels like a much bigger boat. Thanks to her optional (3) IPS 600 joy stick controlled pod drives she is extremely easy to maneuver. Combine that maneuverability with walk around side decks and you have yourself a perfect couples or family cruising vessel. "Mon Chateau" has been highly customized, continuously maintained and loved by her original owners. Below please find some of her highlights and features.

- (3) Volvo IPS 600's (upgraded option) 650 hours with service 7/17
- Main engine service 11/17
- Fuel system service 11/17
- Fresh bottom paint and prop speed 11/17
- Propellers reconditioned and tuned 11/17
- Hydraulic swim platform (optional)
- Teak aft deck, stair treads, swim platform and bow sun area (custom)
- Sat TV antenna (subscription not active)
- Spacious 3 stateroom 2 head layout with FULL BEAM MASTER
- Huge air conditioned flybridge with seating and wetbar
- Washer dryer
- Designer interior, textured carpeting & wood floors and cherry cabinetry
- Ongoing service and updates including new Glendenning shore cord retrieval motor, 2 new head pumps and recent engine service 7/17

Walkthrough

Starting aft in the cockpit of "Mon Chateau" you instantly notice the space. Her teak laden aft deck, swim platform and steps certainly add a custom element to her appearance. There is an athwartships bench seat across the transom with plenty of room for a table and chairs should they be desired. A transom door on the starboard side leads out to the teak hydraulic swim platform. Facing fwd on either side of the house there are 3 teak steps up to walk around decks for easy line handling. Another nice feature is the teak stairwell and stainless railing leading up to the bridge. Having this in lieu of a ladder makes the transition from aft deck to bridge easier and safer. Other aft deck features include.....

- JL Audio speakers
- Accent lighting
- Drink holders

- fresh water shower station
- 110 outlet
- (2) 50 amp shore cords (1) new motor
- In deck engine room access
- Storage cabinet
- Storage trunk
- Tinted sliding door to main salon

Main Salon

You enter the main salon from the aft deck through a large tinted sliding glass door. The salon features rich satin finished cherry wood with select high gloss trim and burl inlays. There is a beige leather sofa to starboard with a handsome little coffee table. To port is a Sharp Aquos flat screen pop up TV neatly packaged between 2 comfortable reclining chairs. Large windows give it a very open feeling. Other highlights include:

- Textured custom carpeting
- Dimmable lighting
- Bose surround sound
- SAT TV (subscription not active)
- Decorative ultrasuade ceiling panels with burl wood trim and inlays

Galley and Dinette

Two steps up from the salon is the raised galley and dinette. The area remains open to the salon for an open and festive feeling. Large windows give plenty of natural light. The galley is well appointed for ship board cooking and dining.

- Solid surface counter tops
- Deep SS sink
- (2) burner electric cooktop
- Under counter refrigerator and freezer
- Ample storage
- Neatly disguised pop up microwave / convection oven
- High gloss dining table
- Large U shaped dinette to port seating for 5-6

Lower Accommodations

Four steps down from the galley leads us to the foyer and the lower accommodations. The upgraded wall coverings, fabrics and attention to detail are evident everywhere you turn. For example, the doors to staterooms and heads have patterned leather inlays and upgraded hardware. The flooring is hardwood.

Standing in the foyer facing the bow is the VIP stateroom. A day head is to starboard with the ability for private VIP stateroom access. A separate shared shower to port,

also with VIP access allows someone to use the head while another showers across the hall. The opulent full beam master stateroom is aft. Last but not least also to port is a third state room with a single berth that converts down to a double.

Forward VIP

- Island queen berth
- (2) portholes and overhead hatch for natural light
- (2) cedar lined closets
- Hardwood flooring
- Storage drawers
- Flip down flatscreen TV w/ SAT receiver (not active)
- Beveled mirror headboard
- Port access to shower
- Starboard access to head
- Climate controls
- Satin finished cherry wood with select high gloss burl wood inlays

Port Guest State Room

- Convertible single berth to drop down double berth
- Whirlpool washer and dryer
- Sharp flat screen TV
- Hardwood floor
- Reading lights
- Cedar lined closet

Master Stateroom

The master stateroom is positioned aft and utilizes the full beam of the vessel for max volume and stability. The berth is a full walk around island queen with a beveled mirror headboard. She has (3) vertical hull side windows both port and starboard for tons of natural light. Some of the additional master stateroom highlights include:

- Sharp flatscreen TV w/ SAT TV receiver (not active)
- Private head and shower
- Love seat to starboard
- Dual cedar lined closets
- Decorative sconce accent lighting
- Bureau style storage drawers to port
- Storage under bed
- Flip up vanity station with seat
- Textured custom carpeting
- Climate controls
- Bose surround sound

Flybridge

The weather protected, air conditioned flybridge on “MON CHATEAU” is absolutely massive. It is accessed from a convenient aft deck stairwell. There is a spacious u shaped seating area all the way aft around a dinette table. To port is a wet bar complete with an electric grill, sink and ice maker. Forward on the bridge is the fully complimented navigation station. There is a bench seat to port and two barrel chairs facing forward the captain and co pilot. Additional bridge features include:

- Full air condition
- Indoor outdoor carpeting
- JL audio speakers
- Full isinglass enclosure
- Hardtop with (3) circular hatches
- Great visibility
- Full Raymarine electronics package including (2) Raymarine E 120 screens with Chart plotter, radar and depth sounder capabilities.
- Volvo electronic gauges
- Volvo IPS joystick controls

Engine Room

The engine room is easily accessible from the aft deck though a hatch leading down. It is very well laid out and extremely clean and tidy. The same attention to detail throughout the rest of the vessel is equally evident in the nerve center of the vessel. The (3) recently serviced (7/17) Volvo IPS 600 model engines are easy to get around, inspect and work on. Other engine room highlights include.....

- 15 KW Generator with sound shield
- (3) AC/DC battery chargers
- Acoustic and thermal insulation
- Bilge pumps
- Dripless shaft seals
- Engine room blowers (2)
- Aluminum fuel tanks with sight gauges
- Fuel and water separators
- Oil changing system
- Underwater exhaust
- 20 gal water heater
- Fire suppression system

Exclusions

Owner's personal effects are excluded from the sale.

Exclusions

Owner's personal belongings.
