SPECIFICATIONS

Overview

This 2004 38 Rampage express has been designed and solidly built specifically to handle rough weather. The core of the hull is made of pre-impregnated end-grain balsa and features double bulkhead construction providing superior durability and insulating qualities. The center console helm is hinged for easy access to wiring and features full instrumentation with plenty of room for optional electronics, a high windshield with an electrically actuated center-vent, and spacious L-shaped seating. This boat has great fishability with two giant fish boxes, a custom 55 gallon baitwell, and a swing out transom door with top lid. Two built-in tackle centers offer a total of eight, large slide out storage drawers with adjustable dividers, gasketed and lockable covers, a molded fiberglass sink with spray nozzle, a cutting board, and a cooler box. The 38 Express is also quick to plane thanks to her efficient 19 degree deep-V hull. With a 400 gallon fuel capacity, this boat offers excellent cruising range. A power actuated engine hatch makes engine inspections and service easy, and features double electric rams, a full fiberglass liner, and diamond plate flooring. Belowdecks, the 38 Express features cherry wood finish and gold hardware throughout; a U shaped dinette that converts to a second double berth; a spacious and comfortable forward double V-berth with rod storage; a well-equipped galley with stainless steel sink, refrigerator, microwave/convection oven, and ample storage; and a full sized head featuring a separate standup shower with circular door, and a built-in vanity with sink and storage.

Basic Information

Category: Sport Fisherman

Sub Category: Sport Fisherman

Model Year: 2004

Year Built: 2004

Country: United States

Dimensions

LOA: 38' 0" (11.58m)

Beam: 13' 9" (4.19m)

Max Draft: 3' 6" (1.07m)

Speed, Capacities and Weight

Cruise Speed: 22 Kts. (25 MPH)

Max Speed: 31 Kts. (36 MPH)
