ХАРАКТЕРИСТИКИ

Обзор

This is a custom 74' Hatteras originally designed to the requirements of NASCAR legend Dale Earnhart, Sr. in 1989 who wanted a luxury yacht capable of off shore fishing. The yacht was equipped per his specifications with big game fishing gear including Rupp outriggers, bait chillers, freezers, ice makers, fighting chair, cockpit engine controls, specialized outdoor lighting, extra long range fuel tanks and custom cockpit electronics all at a cost of 2.2 million dollars. The vessel has multiple radars, autopilots, fishfinders, chartplotters and radio systems. It is equipped to run far offshore to get game fish such as marlin, sailfish and tuna. The vessel comes with long range short wave radio transceivers, weather receivers and satellite systems.

Engines Engine 1: Engine Brand: Detroit Year Built: 1989 Engine Model: 12V-71TA Engine Type: Inboard Engine/Fuel Type: Diesel Location: Starboard Drive Type: Direct Drive Engine Power: 850 HP Engine 2: Engine Brand: Detroit Year Built: 1989 Engine Model: 12V-71TA Engine Type: Inboard Engine/Fuel Type: Diesel Location: Port Drive Type: Direct Drive Engine Power: 850 HP

Accommodations
