DETAILED INFORMATION

Description

The Ferretti 530 has compact dimensions, 16 meters long and almost 5 meters wide, allow the 530 to deliver grand Italian luxury and cruising immersed in such comfort until now unheard of in a yacht of this size. There are three revolutionary innovations: the full beam master cabin with chaise longue and two large open view windows that make it a real suite at sea level bathed in light, tones and the natural essences of teak. Moving the galley from the center to the aft section creates a unique open space that includes the saloon, galley, cocktail bar and the dining area, the cockpit area continues thanks to the tilting window. The roll bar free sky lounge and the spoiler allow the 530 a sporty appearance combined with elegantly formal lines.
