Remarks

The Benetti Classic at 115', is a very large yacht for her length. PARADIGM has the four guest cabin configuration plus the master, making for five total cabins and ten guests. Over the years, and, under her current ownership since 2005, PARADIGM has seen some significant improvements in her machinery including new generators and stabilizers. In addition, more subtle modifications have been made. Her transom now opens further than all of the other boats, making access to the lazarette much more convenient and promotes tender and toy handling. Upgrades to both the interior, in general, and the layout have made PARADIGM a standout in this very popular series.

Exclusions
