# DETAILED INFORMATION

## Introduction

---

The interior and exterior deck layout of “Skyfall” is the best I’ve experienced in any of the 17 mega yachts I’ve owned.

John Staluppi

Step aboard Skyfall and see this for yourself. Notable features include a sumptuous split level master suite with his and hers baths offering 270 degree panoramic views, a full beam VIP suite, 5 additional staterooms, an elevator, gorgeous sky lounge, a gym and ultra comfortable living area.

Charter friendly with a proven track record Skyfall ‘s guest amenities are highlighted by a plunge pool, large Jacuzzi, hot tub, multiple water toys nestled in a garage which doubles as a beach club, with deck space and interior volume that rivals 220 foot yacht.

Bahamas friendly draft of 8’6”, helicopter touch and go capabilities, 4600 NM range, and 21K top speed are all the ingredients necessary to explore remote coves, the open ocean and marina life with ease.

Skyfall is maintained with a true open checkbook policy, was treated to an interior refit recently, and is priced appropriately and aggressively at \$28,900,000. The owner has agreed to consider pedigree trades, so don’t miss the opportunity to own this stellar offering.

SKYFALL has a contemporary and luxurious interior, finished in Honduran Mahogany, Maple Burl and Wenge, designed by the award winning Patrick Knowles, allowing for an elegant, yet comfortable atmosphere. She can accommodate a party of 17 in seven state rooms.
