Engines: 2

Manufacturer: Volvo

Model: IPS 400

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Manufacturer Provided Description

This Sovran continues the Tiara Yachts tradition of quality and engineering that takes full advantage of Volvo IPS technology including the new IPS joystick control for superior handling, noise and fume reduction, and fuel efficiency. The full complement of IPS technology delivers 360-degree direction control at your fingertips. By utilizing the space advantages of the IPS drive in a single stateroom layout, Tiara Yachts designers have been able to open up the salon and increase the size of the head, including a full-frame door and stall shower. The extra space is also put to practical use in a step-down theater lounging area. The 3900 Sovran is a uniquely livable single-stateroom floor plan that's ideal for cruising. Its living space is well thought out and fitted out with traditional Tiara Yachts attention to quality, seaworthiness and lasting value.

Exclusions

Owner's personal belongings.
