SPECIFICATIONS

Overview

This Beauty spent most of its life in Deep Creek Lake Maryland "Fresh Water"

The Cobalt 242 with only 72 HOURS!! is an exciting new addition to the market; a truly must-see, like-new, barely boarded, beautiful vacation yacht. Dry-Stak stored.

This vessel shows pride of ownership and is meticulously maintained. It is powered by Mercruiser 377 Mag 320 HP Bravo III. Additional upgraded features are Garmin Navigation Chart Plotter, Marine VHF radio with man overboard feature and Sirius Satellite Radio with remote control. The Woodgrain dash with custom stitched dashboard and black leather wrapped steering wheel are exceptional features. This vessel includes: bimini top with stainless steel hardware, cd stereo, depth finder, dual battery switch, electropolished stainless steel, and a flip-down swim-step off the swim platform for wake boarding easy-access.

The 242 is an all about access - the wide bow walkthrough doors, the laddered swim platform, and deep, wide storage -- with every square inch maximized for all-day use, as in the bow with its optional dinette table. Remember too that practicality - adjustable backrests, insulated ice chests, removable ski pylons, cylinder-assist lifting, and chair pockets - deserves even more appreciation.

Imagine yourself seated comfortably with your entire family enjoying paradise on the water. Don't miss out on this outstanding opportunity.
