DETAILED INFORMATION

Vessel Walkthrough

MY NEW HORSE is an incredible 2006 Hatteras 80 Motor Yacht that underwent a million dollar refit in 2015. Featuring four staterooms with en suite heads & two day heads (main level & flybridge). There are two staterooms for the crew that can accommodate four crew members. The enclosed flybridge, large salon/dining area, and ample galley provides outstanding living space. She also has twin CAT C-30 1550Hp engines. The 2015 refit boasts TRAC Zero Speed Stabilizers, custom two stage Hydraulic Swim Platform, updated Garmin Electronics, wireless Yacht Controller, new KEP Hatteras Monitoring System, all lighting converted to LED, and much more! Stepping on board the aft deck is the perfect place to entertain. The deck has a dual chrome pedestal high gloss teak table with U-shaped seating and three teak chairs. Moving through the electric door to the salon, showcases the custom interior decor. A U-shaped couch is port and a granite top bar with seating for three is starboard. Continuing forward is the formal dining area with a table and seating for eight. Across on the port side is a chef's dream galley with new kitchen appliances. At the bow of the main deck is the dinette area featuring two seating areas each with it's own table and bench seating with storage. This area was recently modified with the removal of the lower station, four Sub Zero refrigerators, and storage was added. The lower companionway houses a stackable washer and dryer. The full beam master stateroom features a king sized berth with two nightstands, dressers on port and starboard sides, and three closets with one as a walk-in to port. The master head has upgraded mirrors and enclosed glass door shower. The VIP stateroom houses a queen sized berth and cedar lined hanging lockers on port and starboard side. The VIP head encompasses a private entry, granite counter tops, and enclosed shower. The port guestroom has a full sized berth with two nightstands. The room features chest of drawers and ample storage along with it's own private head. The starboard stateroom has upper and lower bunks with storage underneath. This room was originally set up as an office and can easily be converted back. The head also has granite counter tops, cabinet vanity, and enclosed shower. All staterooms have new flat screen TV's with Direct TV receiver, and Blu-Ray players. The custom designed enclosed flybridge offers plenty of entertaining space. The flybridge aft deck has a chrome pedestal table with L-shaped seating and two teak chairs. To the starboard side is the davit. Additionally there is a custom cabinet with a Fire Magic Grill. Moving forward into the enclosed area is U-shaped sofa to the port side. To starboard is a day head, a pop up new TV, and cabinet. Towards the bow area are the dual Stidd helm chairs. The helm electronics were upgraded during the refit with new Garmin electronics. A separate captain's quarters has a queen sized berth and the crew quarters has upper and lower bunks. The crew shares a head with sink, vanity, and enclosed shower. The crew area also houses two Sub Zero freezers. **MY NEW HORSE** is located in West Palm Beach, FL and waiting for you to step aboard.
