SPECIFICATIONS

Overview

IN A TRANSFERABLE LLC

BELISARIUS is a factory, custom-built Horizon motor yacht designed for comfort, luxury and fishing.

She is stabilized with fins, providing a smooth ride at sea. Her interior is a high-gloss cherry wood with accommodations for up to 8 guests in 4 en suite staterooms plus crew quarters aft. Her twin Caterpillar 3412E engines are very economical at slow speeds, only burning 25 gallons an hour at 10 knots.

BELISARIUS has been maintained in Bristol Fashion by her owner of the past 6 years. She had a full exterior refit in 2015, all new batteries in 2016 --- sanded down, completely re-faired, re-painted and re-decked. Her exterior paint turns heads as she shines like a brand new yacht with her sparkling stainless steel matching her lines.

BELISARIUS is a turn-key operation, and has been maintained and managed professionally by a reputable captain and crew.
