SPECIFICATIONS

Overview

"Fast Forward" has a great hull designed with a raised-up transom. The guest- friendly deck layout features an L-shaped lounge seat forward of the console opposite a double-wide bench seat. The seat ahead of the console slides away at the touch of a button to allow entry to the head. To port of the leaning post is an aft- facing seat. The cuddy cabin features V-seating that easily converts to a berth. A hullside door keeps swimmers away from the props, and the uncluttered cockpit provides lots of in-deck storage capacity.
