# DETAILED INFORMATION

---

## Vessel Walkthrough

---

Entering the large cockpit and moving forward you have a large helm station and upper salon area with ample seating for your guest. Stepping down in to the cabin there is a roomy leather settee that converts into bunks and across to port and just aft you have a very roomy enclosed head and shower compartment. Stepping out of the lavatory you have the galley in front to the port side with Corian tops, microwave, fridge and cooktop. Centerline in the bow is the large queen berth with tons of storage underneath the mattress.
