SPECIFICATIONS

Overview

The Monterey 295 Sport Yacht was redesign on 2015. It is a popular coastal cruiser from a company known for producing a solid, value-priced product. With a wide 9'2" beam, the 295 SY has the cockpit and cabin space required to entertain the entire family. The layout is similar to most cruisers her size—wraparound cockpit seating for six or eight, generous swim platform, and a midcabin interior with convertible dinette, small galley, and standup head with shower. Numerous cockpit storage areas assure that everything finds a place, and wide molded steps in the cabin door allow safe access to the bow which came standard with a sun lounge. The cockpit has a wet bar, double helm seat, and engine access under the aft seating while the helm area features easy-to-read gauges and tilt steering. Below, the Sport Yacht's well-appointed interior is a modern blend of leather upholstery, solid-surface counters, and simulated teak flooring. Options included radar arch, entertainment system, generator, and air conditioning. A single 380hp V8 Volvo Penta I/O will cruise the Monterey at 27–28 knots.

Galley

- Isotherm refrigerator
- Kenyon single burner cooktop
- Frigidaire Microwave
- Under mount sink with flush mount countertop insert
- White Corian countertops
- Storage cabinets above and below countertop
- LED lighting
- 110V outlets
