ПОДРОБНОЕ ОПИСАНИЕ

VESSEL WALKTHROUGH and FEATURES

“Corintios” is a 2008 68’ Viking enclosed bridge model with the skybridge option. She is powered by 2000 hp MTU 16V-2000 M91 engines with only 2230 hours. She features the 4 stateroom layout with crew cabin just forward of the engine room.

“Corintios” has had only one owner and the same captain since new. She has been maintained and cared for to the highest standards and is in impeccable condition!

VESSEL WALKTHROUGH

Entering the salon from the cockpit mezzanine you will find a large L-shaped ultra leather sofa with storage beneath to starboard and a large ottoman with custom wine and bottle rack enclosed. To port is the electrical panel, storage cabinets and drawers and the spiral staircase to the flybridge. Forward to port is the U-shaped galley with sub-zero refrigeration, trash compactor, Gaggenau oven, stove and microwave. The galley granite counters have a 7” aft counter overhang with two stools and the galley and dinette floors are Amtico. To starboard is the oversized dinette with teak table. Forward of the galley to port is a large climate controlled storage pantry with more storage to starboard behind the TV. The salon entertainment system features a 42” Fujitsu plasma TV with a Bose Lifestyle surround sound system.

The salon windows feature Hunter Douglas blinds with teak valences and teak with fabric lambrequins.

Moving forward and down to the cabin area the master stateroom is to port with a king-sized bed with storage beneath. Aft are two large his and hers closets. Forward is the ensuite head with stall shower, granite counters, Amtico floor and linen closet. There is an LCD TV with Bose 3-2-1 entertainment system.

Forward is the guest VIP stateroom with centerline queen bed with storage beneath. There is a hanging locker to starboard, drawer and cabinet storage and a Sharp LCD TV. The ensuite head features Amtico floors, granite counters and a stall shower.

Aft and to port is the second guest stateroom with over/under berths, hanging locker and drawer storage with TV. There is a private entrance to the guest head with stall shower. This head is also accessible from the companionway and doubles as the day head.

The laundry center is in the forward companionway with full-sized washer and dryer with linen and supply closet.

Aft and down to port is the crew cabin with oversized over/under berths, hanging

locker and storage lockers. The ensuite head with stall shower is to starboard with engine room access door.

The enclosed Flybridge has an L-shaped Ultra leather sofa and teak table aft to starboard. To port is a custom desk with ottoman. Forward is the centerline helm with Stidd chair and port and starboard bench seats with footrests. A door to port opens to the aft upper deck with control station to port and bench seat to starboard. A ladder leads down to the cockpit mezzanine and an additional ladder leads up to the skybridge.

The skybridge has a large centerline helm console with electrically actuated electronics box and fiberglass helm pod with single lever controls. There are two Murray Brothers helm chairs with covers. To port and starboard are bench seats and a seat forward of the console. A radar arch supports antennas, SAT TV and telephone domes, searchlight and night vision camera.

The 186 square foot cockpit has mezzanine seating with storage below, tackle storage lockers, freezer, in deck fishbox, livewell and ice bin. The salon step opens to a large refrigerated compartment. The teak fighting chair has an offset base, rocket launcher with rigging tray and canvas cover. The transom door and gate opens to the fiberglass swim platform. A large shade awning covers the cockpit.
