SPECIFICATIONS

Overview

The Grady White 251 Coastal Explorer is in a class by itself. The 251 is created for inshore use primarily as a sport fishing boat and offers more offshore, rough water capability than any bay boat. Her versatile seating configuration also proves to be a great family boat as well. This 251 is fully loaded with twin touch screen Garmin 7610's, Fusion Stereo, Power Pole, Trolling Motor, and much more. Her 300HP Yamaha will cruise the 251 at 27MPH and reach a top speed at almost 50MPH.
