## Overview

---

### Spectacular Fishing Machine with Upgrades!

The SeaVee 390i was called by Saltwater Sportsman magazine “undoubtedly the best light-tackle billfishing boat ever made”. The notorious build and ride of a SeaVee, combined with the efficiency and maneuverability of the diesel-powered IPS system, delivers an incredible large center console. Parallel props back down on a fish with speed without pulling the transom down. No outboard engines interfering with your fishability. This one has no bottom paint, and has been lift or indoor stored her entire life. She is loaded and has numerous improvements.

- Twin Volvo IPS600 435hp engine package
- Joystick controls w/sportfish mode (upper and lower)
- Marlin tower with full controls
- New Raymarine HybridTouch E165s (2) and E95 (1) displays
- 70g transom and 90g forward live wells
- Massive forward macerated fish box
- Side dive door and transom wahoo door upgrades
- Humphree tabs retrofit (improved performance/reliability)
- Underwater lights
- Lee carbon fiber 21' outriggers
- Over 65 rod holders
- Front entry sub console (sink, shower, head)
- Clarion sound system with JL Audio speakers
- And so much more!

**No other 390i is upgraded and improved like this one. Price just reduced. Owner willing to consider a trade for smaller center console or bay boat!**

DYSID:3085648
