SPECIFICATIONS

Overview

Mi Lo is a very nice, modern trawler with classic trawler lines but built on a semi-displacement hull with a full keel. Her 14' 3" beam makes this trawler's main cabin very spacious with plenty of room for a full galley, lower helm, table and chairs and seating/sleeping area. The master stateroom with its centered queen berth and the sleeper sofa in the main cabin makes sleeping for four very comfortable and the single head is roomy and contains a large separate shower stall. With a large cockpit, easy to navigate molded staircase to the flybridge, plenty of space and seating to entertain a group of people and a well equipped upper helm this boat has everything a smaller sized liveaboard needs. Powered with a single Yanmar 6LYA-STP 370 hp diesel engine, she has plenty of power to reach a top speed of 15 knots but cruises efficiently at 8 knots. All fiberglass decks reduce maintenance while the interior maintains a nice balance of teak. This trawler is ready for a couple to take her on the Great Loop or other extended cruising.

Basic Information

Category: Trawler

Model Year: 2006

Year Built: 2006

Country: United States

Vessel Top: Bimini Top

Fly Bridge: Yes

Cockpit: Yes

Dimensions

LOA: 34' 0" (10.36m)

Beam: 14' 3" (4.34m)

Min Draft: 3' 4" (1.02m)

Clearance: 15' 0" (4.57m)

Speed, Capacities and Weight

Displacement: 20000 Pounds

Water Capacity: 70 Gallons

Holding Tank: 34 Gallons

Fuel Capacity: 250 Gallons

Total Heads: 1

Hull and Deck Information

Hull Material: Fiberglass

Hull Configuration: Modified V-Hull

Engine Information

Engines: 1

Manufacturer: Yanmar

Model: 6LYA-STP

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Mainship 34 Walkthrough

Access to the cockpit can be obtained via the swim platform and transom door or over the gunwales and down the built in folding steps on either side of the cockpit. The fore deck can be reached from the cockpit via very secure walkways on port and starboard. Once in the cockpit, double doors leads to the main cabin and a molded spiraling staircase to starboard leads up to the flybridge. Access to the main cabin is made easy through the large, double glass doors in the cockpit or forward on the starboard side to the lower helm wing door. Once inside the main cabin, the large sleeper/sofa is along the port side and a small dining table with two chairs is to starboard. The lower helm is forward and starboard in the main cabin and the U-shaped galley is down and forward to port. The companionway to berthing is centered forward, the head is to starboard and master stateroom is forward in the bow. On the flybridge is a large open deck aft and forward are bench seats to port and starboard, a fold up table and three captains chair at the flybridge helm forward. Access to the engine/mechanical compartment is made easy through the lift up lower section of the molded flybridge stairs.

Mainship 34 Main Cabin

Mi Lo's main cabin is an open floorplan with a large sleeper/sofa to port, a two place dining table to starboard, the lower helm forward to starboard and the down U-shaped galley forward to port. The Companionway to the berthing compartment is center forward in the main cabin between the galley and head. The electrical panel is aft on the starboard side of the main cabin. Plenty of windows, the starboard wing door and the aft double glass doors provide natural lighting and fresh airflow to the space. The main cabin sole is synthetic teak and holly with a large floor rug. To view a 360 degree surround image of the salon, copy and paste the link below into your browser.

-

Mainship 34 Galley

The U-shaped galley features all the major components needed to prepare and store food and drinks for extended cruising. There is plenty of storage throughout the cabinets with a good amount of counter space and dry storage under the floor. Corian counter tops throughout the galley and an under counter mounted stainless steel sink aft in the galley reflects the modern styling of this trawler. A half size refrigerator with separate freezer compartment is below the aft counter top and a Sharp Carousel microwave oven is mounted behind the counter and above the refrigerator. Forward in the galley is a Princess two burner propane stove. To view a 360 degree surround

image of the galley, copy and paste the link below into your browser.

-

Mainship 34 Lower Helm

The design of this boat makes navigating from the lower helm effective. The helm is outfitted with the essential equipment including:

- Raymarine E80 multifunction display
- Raymarine ST6002 Autopilot
- Raymarine G-Series RF Wireless Base Station
- Cobra Handheld VHF marine radio
- Sidepower bow thruster controls
- Lewmar stern thruster controls
- Danforth GlobalBalance Compass
- Trim tab controls
- Windlass controls
- Engine gauges and ZF single lever controls

Mainship 34 Master Cabin

The master cabin is all the way forward in the bow of the boat. The centered queen berth has walk-around access, reading lights, under bed storage drawers and provides very comfortable quarters for the owners. Cabinets with hanging lockers are to port and starboard with a private entrance to the head to starboard. The sole is carpeted, two portlights and an over head hatch provide natural light and airflow to the space. A Sole' flat screen TV is mounted above the cabinets to Starboard. To view a 360 degree surround image of the master cabin, copy and paste the link below into your browser.

-

Mainship 34 Head

The bright and modern head features a Vacuflush toilet, Corian vanity with under mounted stainless steel sink, storage cabinets and a large circular mirror over the vanity. The large shower stall with glass doors provides a very comfortable space to shower without feeling cramped. A single portlight provides natural light and airflow to the space. Access is via a private door from the master cabin and a second door from the companionway. The sole is synthetic teak and holly. To view a 360 degree surround image of the head, copy and paste the link below into your browser.

-

Mainship 34 Cockpit

The modest, covered cockpit on this trawler provides room for a few chairs. The molded flybridge stairs open as a large hatch and leads to a mechanical space with access to the main engine, generator, water heater, battery banks, steering and shaft seal. A transom door provides access to the large swim platform. Three additional storage compartments are in the transom to port of the door. The large molded staircase to starboard leads up to the flybridge and makes for a very easy transition up and down.

Mainship 34 Flybridge

The large flybridge and sundeck provides a great place for navigating, entertaining or relaxing. The flybridge is enclosed with canvas and Isinglass, in good condition, on four side and features a large bench seat to starboard, another large L-shaped bench seat to port, a fold up table that can be used as a dinette. Three captain's chairs are spaced out across the helm. The helm is outfitted with the following equipment:

- Raymarine E80 color multifunction display
- Raymarine Handheld Wired Autopilot controller
- Raymarine Ray 215 VHF marine radio with DSC
- Sidepower bow thruster controls
- Lewmar stern thruster controls
- Raymarine ST60 TriData display
- Danforth GlobalBalance Compass
- Trim tab controls
- Windlass controls
- Engine gauges and single lever ZF controls
- GoLight search light controls
- Clarion Marine AM/FM stereo with cassette

The large sundeck aft on the flybridge has plenty of room for sunbathing, entertaining, grilling, etc. Tall railing all around the sundeck and stairwell provides great safety. The radar mast is hinged and is located in the center of the sundeck but does not interfere with movement about the deck. To view a 360 degree surround image of the flybridge, copy and paste the link below into your browser.

- [360 degree surround image of the flybridge](#)

Mainship 34 Electronics

This trawler features the following electronic equipment:

- 2 - Raymarine E80 color multifunction display

- Raymarine ST6002 Autopilot
- Raymarine Handheld Wired Autopilot controller
- Raymarine ST60 TriData display
- Raymarine G-Series RF Wireless Base Station
- Raymarine Ray 215 VHF marine radio with DSC
- Cobra Handheld VHF marine radio

Mainship 34 Audio & Video Equipment

This trawler features the following audio & video equipment:

- Intellian satellite TV system
- Flat screen TVs in the salon and master stateroom
- DVD player
- Clarion Marine AM/FM stereo with cassette
- Speakers in the salon and cockpit

Mainship 34 Electrical System

This trawler features the following electrical equipment:

- 8 kW Kohler generator with sound shield (556 hours)
- 12 vdc / 110 vac power system
- 2 - Group 27 bow & stern thruster batteries (2017)
- 2 - 8D house & starter batteries (2017)
- Group 24 Generator Start battery
- ProTech-4 Battery Charger
- Dual 30 amp shore power connections
- 2 - 50' shore power cords
- 50 amp to dual 30 splitter

Mainship 34 Engine & Mechanical Equipment

This trawler features the following engine and mechanical equipment:

- Single Yanmar 6LYA-STP 370 hp marine diesel main engine (575 hours)
- ZF gearbox
- Racor diesel fuel filters
- Dripless shaft seal
- Bow and stern thrusters
- Reverse cycle air conditioner
- Seaward 6 gallon water heater
- Oil X-Change-R system

Mainship 34 Deck Equipment

This trawler features the following deck equipment:

- Bow Pulpit
- 24 lbs Danforth anchor with 300' chain & rope rode
- Lewmar capstan
- Safety rails and stainless steel deck fittings
- Hinged radar mast
- Dual horns
- Dual Propane tank locker
- Salt water wash down
- Transom storage lockers
- Hot & cold water shower in cockpit
- Port & starboard fold down boarding steps in cockpit
- Boat hook holders port & starboard on bow

Mainship 34 Fire & Safety Equipment

This trawler features the following fire and safety equipment:

- Sea-Fire 1301 Halon fire suppression system
- 4 - fire extinguishers
- Carbon Monoxide detector
- Smoke detector
- Full walk-around exterior with waist high rails
- Life Jackets
- GoLight search light
