SPECIFICATIONS

Overview

Named one of the 25 greatest offshore saltwater sport fishing boats of the past 20 years, the Grady White 330 Express recently was completely redesigned with an emphasis on seating, cabin amenities and interior lighting. Not only is the 330 a premiere sportfishing boat, it's a great family boat and overnight cruiser.

The Express 330 is perhaps the most opulent, yet fishable, express fisher and one of the best riding thanks to Grady's carefully developed hull layup schedule and proven running surface. The owners of this 2013 Grady White 330 Express spared no expense when outfitting the boat seeing as nearly every option has been added including over \$20,000 in electronics.

This boat has 235 hours on the engines and all service has been performed by Yamaha Certified Technicians. The boat has also been professionally maintained (washed every two weeks and waxed twice a year).

This 330 Express does not have bottom paint and has been kept on a 20,000 pound Deco lift since day 1. The owner also recently replaced all of the batteries on the boat (less than one year ago). This boat is truly in incredible condition!

This 2013 Grady White 330 Express was purchased in October 2013 and the owner elected to buy the fully transferable 6-year extended warranty on the twin 300 HP Yamaha V-6 Offshore engines. Therefore, the engines are under warranty until October 2019!

Be sure to see the extensive list of options! Call us today for a private showing appointment.

Basic Information

Category: Cruiser

Sub Category: Express

Model Year: 2013

Year Built: 2013

Country: United States

Vessel Top: Hardtop

Dimensions

LOA: 35' 10" (10.92m)

Beam: 11' 7" (3.53m)

Max Draft: 2' 1" (0.63m)

Clearance: 9' 10" (3.00m)

Speed, Capacities and Weight

Water Capacity: 44 Gallons

Fuel Capacity: 331 Gallons

Accommodations

Total Cabins: 1

Total Heads: 1

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Yamaha

Model: 300HP V6 Offshore

Engine Type: Outboard

Fuel Type: Gas/Petrol

DETAILED INFORMATION
