SPECIFICATIONS

Overview

The all new Maritimo S59 is a 'beamy' single level, three cabin, two bathroom vessel with broad appeal. The S59 fits a niche market where boaties either have bridges to navigate to reach their home berths or who wanted the functionality and social benefits of single level skippering.

The S59 features a full beam master cabin, which is a hallmark of the Maritimo range, a VIP cabin with walk around double bed and a third bunk cabin.

Not only does the S59 have a very wide beam, but also a large opening lazette similar to that provided on the larger M64 cruising motor yacht and the M51. The stern of the boat has huge storage space which is perfect for a tender or all the water toys you could want. The cockpit is accessed from both sides with openings to the hydraulic swim platform (optional) and because of the boat's large beam the space is substantial. The 5.36 metre beam on the S59 is wider than on the Maritimo S62.

Maritimo's race proven shaft drive technology reduces fuel consumption and gives the peace of mind of lower maintenance costs and increased longevity of ownership. Like its two level sibling the S59 has all the attributes of the Maritimo brand and will be equally at home cruising Sydney Harbour, Moreton Bay, the Great Loop in the US and other great waterways of the world.

Basic Information

Category: Motor Yacht

Model Year: 2020
