Hull Material: Fiberglass

Hull Configuration: Deep Vee

Engine Information

Engines: 2

Manufacturer: Yamaha

Model: Four Strokes

Engine Type: Outboard

Fuel Type: Gas/Petrol

DETAILED INFORMATION

Vessel Description

The OS 315 Offshore blends right into the custom fiberglass windshield, giving you a panoramic, obstruction free view to the bow, while protecting you from any change in the weather.

It's a refined touch normally found only on much larger yachts, yet something you'd expect from Pursuit. The OS 315 was created using advanced production and manufacturing procedures that enhance the quality of the lamination process.

The pay off is a boat that's lighter in weight when transported by trailer or stored on a dockside lift. The fiberglass infusion stringer system provides an unmatched inner strength and more efficient bilge water management. Pursuit's efficient design also means there's plenty of space for a weekend full of family fun plus all the extras.

The cabin features a large v-berth forward, comfortable mid-cabin area, stand-up head with designer glass vessel sink and galley with curved Corian countertops for a spacious, airy feel. The v-berth even converts to a four-seat teak-inlay dinette, with hidden storage underneath so you'll be ready for those extended journeys.

Notable options include air conditioning and a Panda diesel generator, one of the smallest, quietest and most fuel-efficient generators available.

Exclusions

Owner's personal belongings.

Disclaimer

The Company offers the details of this vessel or yacht in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his representatives, agents, or his surveyors, to investigate such details as the buyer desires validated.
