## Overview

---

The sleek new S70 sedan cruiser is the largest single level vessel that Maritimo has created. Boasting a top speed of almost 30 knots and offering exceptional handling, it is a superb fusion of style and performance in one generously proportioned motor yacht.

In every detail, this is a motor yacht designed for extended trips in luxury and comfort, with a range of 520 nautical miles at 21 knots and a staggering 1,600 nautical miles at nine knots. With a height of 5.23m, the S70 has also been crafted to pass under low clearances such as the fixed bridges of America's Great Loop. And the ability to add fuel tanks ensures that the adventure possibilities are endless.

This is a motor yacht with a strong focus on mobility, from the wide, walk-around deck to the bi-fold doors and spacious cockpit. From the helm, the S70 offers 360-degree sightlines, a two-metre wide sunroof and captain's door access to the foredeck, creating a sense of openness when out on the water and docking. The S70 is also an extremely nimble boat for its size with the two-and-a-half turn, lock-to-lock steering system. This combination of single deck design and extreme maneuverability means that steering is a delight, allowing you to take in stunning views during your adventures around the world.

The sedan configuration of this beamy vessel keeps everyone on one level, with multiple entertaining and living spaces and additional height in the main cabin. This expansive design and single level living sits seamlessly with the flat running angle of the motor yacht.

The Maritimo S70 houses four cabins including the Maritimo hallmark - a full beam, apartment-sized master cabin. Three additional bedrooms and three bathrooms, ensures there is room for everyone to unwind in peace. Ergonomics and thoughtful design have been incorporated to create a saloon area that is expansive and flexible. Configuration options include tub chairs, lounge or bar stools, providing a leisure area that is beautiful in both style and function.

The wide galley has enough storage to incorporate a coffee machine, ice maker or wine cooler, ensuring easy entertaining options. While Miele appliances are standard, there is also the option to customise appliances, sound systems and a range of other features to create the ultimate home on the water.

The Maritimo S70 has all the elements of a single level penthouse on the ocean: expansive spaces, opulent materials and brilliant design. With Maritimo, your luxury home is wherever your course takes you.
