SPECIFICATIONS

Overview

The Sea Ray 550 Sedan Bridge is a lengthened version of the 500 sedan bridge. The difference is a much larger cockpit which allows the boat to be both a cruising yacht and a fishing yacht. The 550 has three state rooms with a very large master forward with an en suite head and shower, as well as guest cabins port and starboard with a guest head and shower. The salon is impressive with a large leather sofa, flat screen TV, and large windows. The galley is forward of the salon with a convertible dinette to port. Her caterpillar 3406, 581hp diesel engines will cruise the 550 in the low 20's and reach mid to high 20's at top speed.

Basic Information

Category: Motor Yacht	Sub Category: Flybridge
