DETAILED INFORMATION

Walkthrough

Walkthrough

Step aboard through an entry boarding gate on either side into an expansive teak sole cockpit with aft seating area before walking through a tri-fold door that folds all the way back against the starboard bulkhead, making the aft galley, salon, and outdoor cockpit one continuous space to enjoy and entertain.

The salon features custom cabinetry, significant headroom, and wide windows giving plenty of natural light and views of the water. A dining area is located to starboard and seating opposite. Access to the bridge deck is via a floating staircase to starboard near the tri-fold doors.

Up above, the enclosed bridge layout features captain and companion helm seats, 360 degree windows, teak dining table and seating to starboard, aft refrigerator unit to port, and the aft balcony outside will be where want to lounge while underway.

Head down below to the accommodations where you find the three-stateroom, two-head layout offering comfortable, well-appointed sleeping quarters for six in the full beam master stateroom, forward VIP, and starboard guest stateroom. All staterooms offer more than adequate headroom and storage space for several nights aboard.

This 2015 M50 / M54 is no exception! "Yachts of Fun" has low engine hours and all services up to date. She also has extended Volvo engine coverage until April 2020.
