Overview

Super Clean Sundeck Model Ready For You To Move Aboard and Cruise!!

With a fresh bottom, "Lee Way" is a perfect example of the Marine Trader Tradewinds Sundeck, the popular contemporary motor yacht styled trawler with planing-speed performance. Below decks her all teak and Air Conditioned interior is beautiful and in excellent condition. With large wraparound windows and plenty of headroom, the interior is well designed and offers a lot of volume for the size of the boat. Her reliable 275 Lehman's will deliver a cruising speed of 14 knots and a top speed of 18 knots, however at 10 knots to 14 knots the engines will be loafing and a 10 knot cruising speed will burn approximately 8 GPH. Popular for a permanent liveaboard/cruising vessel, or just a weekend condo, this Tradewinds 43 is an excellent affordable choice.
