---

### 2001 Catalina 42 Samba Accomodations

---

Beginning forward is the head compartment, with separate shower, followed by the vanity counter, sink and head. Next is the large Pullman berth to port and drawer and hanging locker storage to port. Beneath the berth are two large drawers. Moving aft into the salon, the chart table is to starboard, followed by a settee. Opposite is the large convertible C-shaped dinette. Storage is outboard and beneath the settees. Next aft to starboard is the aft head/shower compartment with ingress from both the salon and aft cabin. Further aft is the spacious double aft cabin. Opposite the aft head compartment is the large L-shaped galley, followed by storage and access to the batteries and aft storage lockers. Very generous storage throughout, ventilation and daylight is abundant, creating a very inviting interior. Interior woods are varnished teak veneers and solids. Varnished teak & holly cabin sole Granitecoat counters in galley and heads (8)Lewmar opening deck hatches (6)Lewmar opening portlights (4)Lewmar fixed portlights Inner spring mattress, each cabin Pleated window treatments 12Vdc lighting throughout (4 )Hella Turbo fans Hot/cold pressure water throughout (3)Fresh water showers, hot/cold

---

### 2001 Catalina 42 Samba Galley

---

The L-shaped galley is at the base of the companionway and to port, with double s/s sinks at the inboard side and close to the centerline. To the right of the sinks are a number of drawers for utensils, etc., as well as additional storage below the sinks, Moving outboard is a large dry storage locker with countertop access. This factory insulated locker is 4.24 c/ft, and could be additional refrigeration and/or freezer storage with the inclusion of a second refrigeration system. Turning outboard is a 3-burner Hillerange gimble stove with oven, followed by the front and top loading refrigeration locker. Above the stove is a microwave oven and storage lockers to either side. Aft of the refrigeration locker is a "Lazy Susan"-type cabinet, followed by three lockers aft of it. Opposite the refrigerator is a hinged Granitecoat work surface for even more working area. The galley is very well suited for the preparation of meals while underway or at anchor, and has very generous storage capacities. Granitecoat counter tops throughout Adler Barbour Large Cold Machine with Flip-up Granitecoat work surface 8.48 c/ft refrigeration locker (front and top access refrigerator) Overhead shelf above sinks (2)10Lb aluminum LPG tanks in cockpit lockers Double Stainless Steel Sink Three Burner Propane Stove and Oven on Gimbals Pots and Pans Storage under oven Two Light Fixtures under counter Cutlery Pullout Drawer inboard next to sink Trash Pullout Drawer Below Cutlery Drawer Corner Cabinet Above Refrigerator Microwave and two front opening cabinets over counter Aft of the refrigerator are three large drawers with pullout wire baskets for storage with a larger storage aft of the galley. Granitecoat fold up counter top between galley and stairs Battery Switches aft of Galley

## 2001 Catalina 42 Samba Hull and Deck

---

The white hull with navy blue boot stripe is a single piece hand laid GRP construction with  
 externally attached lead wing keel and spade rudder. There is a partial skeg forward of the  
 rudder. The outer skin of the hull is vinyl ester resin, and the hull is solid lamination (no coring).  
 The white deck is also a single piece hand laid GRP construction with molded diamond  
 pattern gray nonskid. The hull-to-deck joint is a hatbox-type marriage, then covered with an  
 aluminum rub rail with vinyl insert. At the bow is a single anchor roller followed by a recessed  
 chain locker with dual direction electric anchor windlass. The inboard chain plates coupled with  
 wide side decks afford unimpeded movement fore and aft. Maxwell dual direction electric  
 windlass 22lb Bruce-type anchor, chain, rode 32 Danforth anchor, 50ft chain, 200 ft 5/8" rode
