SPECIFICATIONS

Overview

"Our Time" is a wonderful trawler, with Great Loop capability for the serious cruiser, or weekend waterfront condo capability for the casual cruiser. All will appreciate the unique layout, with a covered cockpit, rich Teak and Holly interior, salon day head (for your guests) plus a private Master Stateroom forward, with its own head and shower. With her Pilothouse PLUS Flybridge helm stations, she is truly an "All Weather" cruising yacht with modern Garmin Electronics, Autopilot, Radar and Sat TV. The hull was freshly painted with Blue Awlgrip hull paint in 2016 and looks wonderful. Powered by a low hour common rail QSB Cummins 480 hp diesel, her dockability is aided by Bow and Stern thrusters, with controls at both helm stations. She cruises easily at 8 kts while sipping 3 GPH, or get up and run at 14-15 kts top speed. 2 zones of Heat/AC, both replaced in 2017, fresh batteries and Charger. The genset keeps you comfortable while away from the dock. Come see if "Our Time" will be right for your time
