## Introduction

---

**"ENDLESS VENTURE" is one of the most highly spec'd Hatteras ever built loaded with upgrades and options. She shows in beautiful condition with very low hours and a 4-YEAR EXTENDED WARRANTY AS OF JULY, 2017. Extensive bow to stern shipyard period completed fall/winter 2017. Seriously for sale at only a fraction of her replacement cost. She will remain in Fort Lauderdale until SOLD. Smaller quality trades considered. See Yacht Video on YouTube - "Endless Venture" 80' Hatteras 2014** Step aboard "ENDLESS VENTURE" 2014 80 Hatteras, Motor Yacht and you'll instantly recognize a world-class design unlike any other on the market. "Endless Venture" was custom built by the most highly-qualified group of experts. While a team of engineers and craftsmen put the lines to paper and executed the project to perfection, her true magic comes from the intuitive input of experienced yachtsmen who demanded more.

"ENDLESS VENTURE" maximizes your time outdoors with an expansive flybridge that includes multiple social areas centered around a wet bar that is equipped with everything needed to keep you and your guests entertained. Steps lead down to the large aft deck, where a table and molded lounge provide the perfect setting for alfresco dining. Twin stairs lead to the sport deck below to easily access water play.

"ENDLESS VENTURE'S" interior feels like a mega-yacht. Its generous salon/dining area is perfect for entertaining large parties or more intimate groups. Forward is a gourmet, eat-in galley that would please the most discerning epicurean. Below, lavish accommodations await for you and your guests. The full-beam master is grand, and each of the three guest staterooms has their own private bath en suite.

"ENDLESS VENTURE" delivers more of everything and signifies all that is essential to the most meticulous yachtsmen.
